

**Meeting Description:** Monthly GIS Users Group Meeting

**Date:** June 3, 2010

**Time:** 10:00 AM

**Location:** Michigan Center for Shared Solutions & Technology Partnerships, George W. Romney Building, 10<sup>th</sup> Floor, Large Conference Room

**Attendees:**

Steve Aichele, USGS

Ed Hartwick, MDCH

Dale Bridgford, DNRE

Justin Booth, MSU/RSGIS

Joyce Newell, MDOT

Laura Blastic, DTMB/CSSTP

Sam Quon, City of Lansing

Paul Harmon, DTMB/CSSTP

Teri Debler, DTMB/CSSTP

**Teleconference:**

Trevor Floyd, St. Clair County

Valdis Kalnins, Allegan County

Steve Perry, SEMCOG

James Tchorzynski, MIOC

Jerry Johnson, ESRI

**I. Approval of Meeting Minutes**

1. May meeting minutes will soon be available for viewing on the CSSTP website.

**II. Geographic Framework Program**

**A. Framework Activities Update**

Laura Blastic, CSSTP

1. Next week will be starting to add in block groups in Census tracks for 2010. Will not be adding just blocks. (version 11)
2. Focusing on addresses this year with new sources and partners.

## **B. Digital Ortho Update**

Laura Blastic for Everett Root, CSSTP

1. 2010 Bing flight is on schedule for summer delivery.
2. 2009 NAIP is now available on the MIS.

## **C. Conferences Update**

1. MICAMP is September 22-24. Board meeting this afternoon. Invitations going out within two weeks.
2. EMS Workshop in Toledo, Ohio, June 21-22.
3. NSGIC conference in Minneapolis September 14-17, and the following week a national map conference.
4. Government Technology Summit October 19-20.

## **III. MDNRE Projects and Activities**

Dale Bridgford, DNRE

1. Working on roadside ditches.
2. Will be a MISWIMS application released by summer.
3. Wetlands application update.

## **IV. MDOT Projects and Activities**

Joyce Newell, MDOT

1. Working on setting up Version 10 with all staff.
2. Updating lane mile inventory with through lanes.
3. Did submit certified miles, 17 miles fewer than last year due to one county having differences.

## **V. MSP Projects and Activities**

James Tchorzynski, MIOC

1. Michigan Intelligence Operation Center (MIOC) a month out from their web services being on the MSP website domain.

## **VI. MDCH Projects and Activities**

Ed Hartwick, MDCH

1. Making maps for health related issues. Would like health data layers that are HIPPA compliant.
2. Quiet flu season this year.

## **VII. CSSTP Projects and Activities**

Paul Harmon, CSSTP

1. NSDI Grants in document review phase with GeoPlanning Services to be completed in June.

2. The listening session summary is available on line at [www.michigan.gov/NSDI](http://www.michigan.gov/NSDI).
3. On scheduled to meet final project delivery August 31st.
4. Taking comments, send to Martin Roche.

Laura Blastic, CSSTP

1. Updating TAMC website.
2. MiDRIVE mobility map updated last week, more updates this year.
3. Getting ready to roll out PR Ref web service and PR Finder to version 10.

## **VIII. MSU/RSGIS Projects and Activities**

Justin Booth, MSU/RSGIS

1. Trainings scheduled for next week: Intro to ArcGIS. Considering trainings on Census data.
2. Getting ready for Bing imagery and 2010 NAIP.
3. Ready to assist CSSTP with data.
4. Working with Everett on a public portal (MIP).

## **IX. County/Local Projects and Activities**

**City of Lansing**, Sam Quon

1. In process of updating Hazard and Vulnerability Analysis for emergency managers of the city.
2. Drive time analysis for fire dept.

**Allegan County**, Valdis Kalnins

1. Catching up on FEMA flood plain mapping.

**St. Clair County**, Trevor Floyd

1. Preparing data for the release of ArcGIS 10.
2. Laura will contact regarding a possible work around.

## **X. Regional Projects and Activities**

Steve Perry, SEMCOG

1. 2010 flight still on schedule.
2. Preparing for the internal roll out of Version 10.
3. Next week is their user group meeting where they will review ArcGIS 10.

## **XI. Federal Projects and Activities**

Steve Aichele, USGS

1. 15 partners around the state.
2. Forest Service acquired the Ottawa National Forest 2,500 sq miles. Will be 1 ft, 4 band, except Wexford County will be 3 band, and Cadillac 3 inch.

3. LiDAR update shown in handout. 20% of state flown for imagery and high res data, plus the Microsoft acquisition.
4. Ottawa flown this spring.
5. Next year will focus on elevation data of Upper Peninsula, to update the last data collections of 1930's and 1940's.
6. Has compressed versions of shoreline imagery for anyone interested, 2008, 10:1 compression, 1-foot leaf on.

Jerry Johnson, ESRI

1. Pre-release of ArcGIS 10 around July 12-16 at user conference time. Public beta available at [www.ArcGIS.com](http://www.ArcGIS.com).
2. Will have seminars in Michigan later in the year; let him know areas of interest.

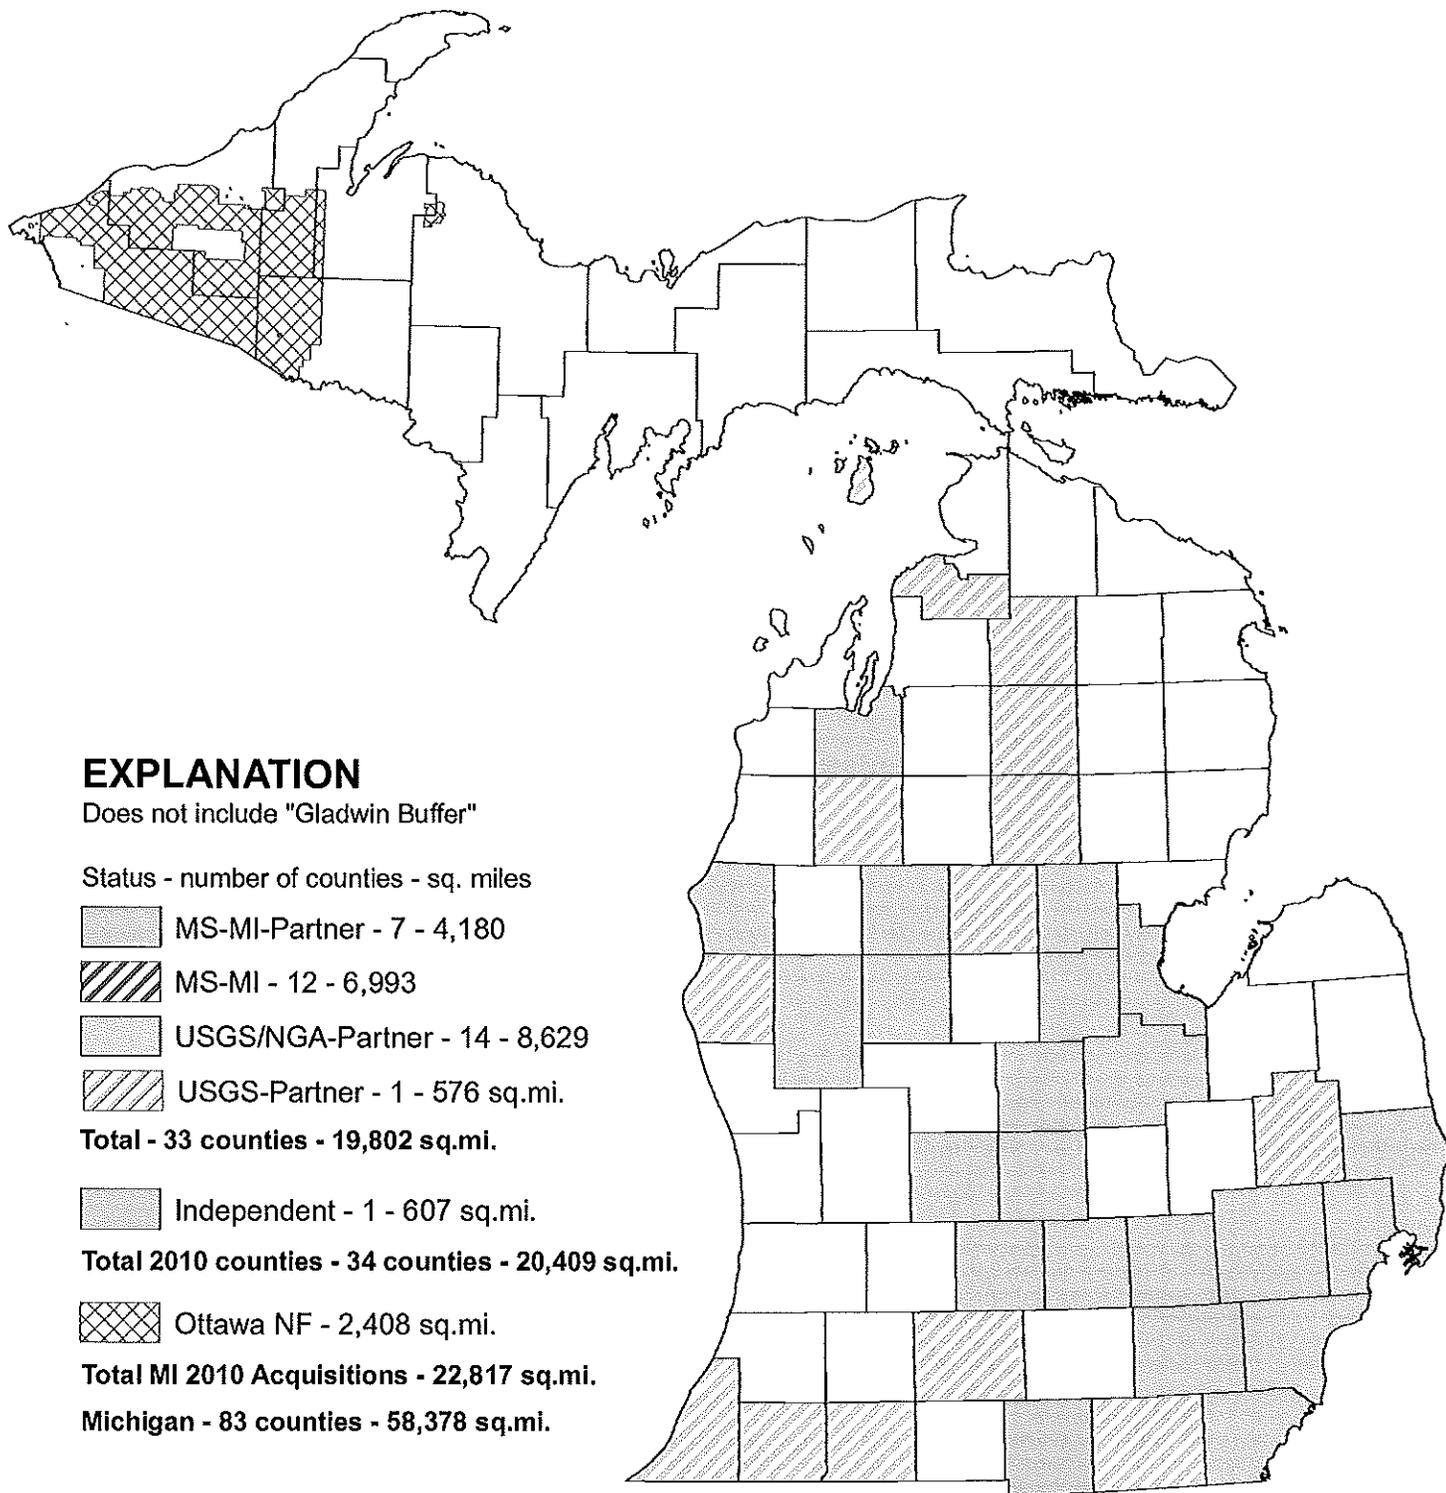

## **XII. Other Issues**

None

## **XIII. Next Meeting Date July 1, 2010 10AM**

# Michigan 2010 Orthoimagery Acquisitions

## 5/20/2010

# Availability of Public Domain LiDAR in Michigan (<2m GSD, supports 2' contours)
