

**Meeting Description:** Monthly GIS Users Group Meeting

**Date:** August 5, 2010

**Time:** 10:00 AM

**Location:** Michigan Center for Shared Solutions & Technology Partnerships, George W. Romney Building, 10<sup>th</sup> Floor, Large Conference Room

**Attendees:**

Everett Root, DTMB/CSSTP

Steve Aichele, USGS

Justin Booth, MSU/RSGIS

Joyce Newell, MDOT

Geoff Kapelanski, U.S. Census Bureau

John Esch, DNRE

Karl Schrantz, DNRE

Teri Debler, DTMB/CSSTP

**Teleconference:**

Trevor Floyd, St. Clair County

Valdis Kalnins, Allegan County

Michelle Kleckler, MSP/SEOC

**I. Approval of Meeting Minutes**

1. July meeting minutes is available for viewing on the CSSTP website.

**II. Geographic Framework Program**

**A. Framework Activities Update**

Everett Root for Laura Blastic, CSSTP

1. Version 11 editing is under way, submit changes.

**B. Digital Ortho Update**

Everett Root, CSSTP

1. 2010 Bing 12-inch imagery has arrived.
2. Provided Calhoun county Bing imagery to State Police and EPA at the incident command center in Marshall for the Kalamazoo river oil spill.

3. Calhoun Bing image available in MIS for viewing. 18 additional counties coming soon.
4. Bing partner county imagery is also here, creating .ECW mosaics to include with the deliverables. Everett will be hand delivering a hard drive to each county.
5. Bing imagery will be available to view on Bing Maps this summer.

Steve Aichele, USGS

1. Will see imagery samples later on this month.
2. Should all be available this October.
3. 2010 NAIP is happening, 4-band, statewide.

### **C. Conferences Update**

1. National Map Conference moved from September to May 10-13, 2011, in Denver.
2. NSGIC conference in Minneapolis September 14-17.
3. Emergency Management in Traverse City, October 5-7.
4. MICAMP is September 22-24.
5. Government Technology Summit October 19-20.

### **III. MDNRE Projects and Activities**

John Esch, DNRE

1. CSSTP is still working on our GeoWebFace application.

### **IV. MDOT Projects and Activities**

Joyce Newell, MDOT

1. Updating lane mile inventory from last year.
2. Have test version of HPMS reporting software.

### **V. MSP Projects and Activities**

Michelle Kleckler, MSP/SEOC

1. SEOC still activated for the oil spill. Working with EPA at the site exchanging data.
2. Working with city of Port Huron in St. Clair county on a Dept. of Homeland Security pilot project. Involves a web application in partnership with IDV Solutions.

John Esch, DNRE

1. Did some mapping of the spill area, can share with Michelle/SEOC.

Valdis Kalnins, Allegan County

1. Shared data with DNRE regarding oil spill.
2. Assisting county Emergency Management, lake levels are being adjusted.

3. Received a request yesterday from EPA for all of Allegan's parcel data.

Trevor Floyd, St. Clair County

1. His pipeline data is from the Inland Sensitivity Atlas 1999, very coarse data.

Steve Aichele, USGS

1. Pipeline mapping still on original quad maps.

## **VI. MDCH Projects and Activities**

Not represented

## **VII. CSSTP Projects and Activities**

Everett Root, DTMB/CSSTP

1. One of our staff assisted in setting up the technology and GIS at a command center in Marshall. Went from an emergency to a project for DTMB.
2. Several applications coming, more details next month.
3. MIS brown bag available, either in person or web-enabled. Contact Everett if you would like to schedule a meeting for your department.

Everett Root for Paul Harmon, CSSTP

1. NSDI Business Plan came out of the Listening Sessions. Draft is posted on the website. Paul Harmon and Rob Surber will be presenting on it at NSGIC and MiCAMP.
2. Transportation Stewardship will be open for public comment soon.

## **VIII. MSU/RSGIS Projects and Activities**

Justin Booth, MSU/RSGIS 25:39

1. Training classes next week, more in fall and winter.
2. Working with Everett, MIP in progress.

## **IX. County/Local Projects and Activities**

**Allegan County**, Valdis Kalnins

1. Dealing with budget issues.

**St. Clair County**, Trevor Floyd

1. Losing their GIS coordinator.
2. Recently stood up a web interface for certain 911 calls to be published and viewable per map data.

## **X. Regional Projects and Activities**

1. Not represented

## **XI. Federal Projects and Activities**

Geoff Kapelanski, U.S. Census Bureau (313) 396-5132

1. In process of finalizing census field operations.
2. Detroit RCC continues to work with local governments on LUCA Program.
3. GARP in final QA check of geographic regions like voting districts.
4. Question/resolution CQR program challenges accepted June 2011 - June 2013.
5. Brought a redistricting pamphlet.
6. Some GIS staff will be let go this October.
7. Will be at the NSGIC conference this year.

Steve Aichele, USGS

1. Starting fiscal year without resolution of budget.
2. Lost grants to local government funding. Unclear if and when that may be restored.
3. Great Lakes Restoration Initiative took a 45% cut in the 2011 budget, resulting in the probability of no LiDAR funding for Lake Superior basin.
4. No NGA imagery funds in Michigan in 2011.
5. Kicking off an elevation proposal with FEMA to update LiDAR around the country for 2012.

## **XII. Other Issues**

None

## **XIII. Next Meeting Date September 2, 2010 10AM**
