

Meeting Description: Monthly GIS Users Group Meeting

Date: September 2, 2010

Time: 10:00 AM

Location: Michigan Center for Shared Solutions & Technology Partnerships, George W. Romney Building, 10th Floor, Large Conference Room

Attendees:

Laura Blastic, DTMB/CSSTP

Steve Aichele, USGS

Michelle Kleckler, MSP

Joyce Newell, MDOT

Paul Harmon, DTMB/CSSTP

Teri Debler, DTMB/CSSTP

Teleconference:

Valdis Kalnins, Allegan County

I. Approval of Meeting Minutes

1. August meeting minutes is available for viewing on the CSSTP website.

II. Geographic Framework Program

A. Framework Activities Update

Laura Blastic, CSSTP

1. Version 11 editing is ongoing; reviewing Act 51 data, updating address ranges, and starting to utilize BING imagery.
2. Deadline to submit changes for Version 11 is end of November; lockdown will be around February 1st with a March delivery date.
3. Will probably be in the current editing environment through Version 11.

B. Digital Ortho Update

Laura Blastic for Everett Root, CSSTP

1. All imagery has been hand delivered to partnering counties.
2. 2010 Bing 12-inch (some 6-inch) imagery is available on line.
3. Planning 2011 flight.

Steve Aichele, USGS

1. Tri-County and SEMCOG supposed to be here this month.
2. 2010 NAIP is happening, 4-band, statewide.

C. Conferences Update

1. Digital Government is October 19-20. Register through www.govtech.com.
2. SEMCOG quarterly user group September 9, main topic is LiDAR presentation. Contact Anne Burns with any questions.
3. National Map Conference moved from September to May 10-13, 2011, in Denver.
4. NSGIC conference in Minneapolis September 12-17. CSSTP is on the agenda to present there.
5. Emergency Management Summit in Traverse City, October 5-7.
6. MICAMP is September 22-24.

III. MDNRE Projects and Activities

Laura Blastic, DTMB/CSSTP

1. CSSTP is working on several DNR and DEQ applications. Will have Scott Reynolds update next month.

IV. MDOT Projects and Activities

Joyce Newell, MDOT

1. PR finder update pushed back to October.
2. They have decided to update TRAMS application.
3. Looking at Roadsoft (tool to assist in traffic count data) for next year.
4. Started experiment with MiCloud data storage for trunkline photo log. Laura Blastic added that CSSTP has recently taken on MiCloud.
5. Curve data may be more available than grade data. Van is currently not operational.
6. HPMS software training will be scheduled in a few months.
7. MiDrive gives traffic construction updates using a map interface.
8. Wondering where the best place to collect certain HPMS data for use by federal and non-federal entities. Use a disclaimer "as reported by HPMS".
9. Questions about Roadsoft directed to Valdis. Laura suggested Trevor might also have insight.

V. MSP Projects and Activities

Michelle Kleckler, MSP

1. SEOC is in monitoring mode for the oil spill.
2. Tom Newell retired last week.
3. Had ArcGIS server installed last month, went well with help from ESRI.
4. Reviewing eTeam.
5. Preparing for conference.

VI. MDCH Projects and Activities

Not represented

VII. CSSTP Projects and Activities

Paul Harmon, DTMB/CSSTP

1. NSDI Business Plan will be available for printing and pdf download at www.michigan.gov/nsdi. Paul Harmon and Rob Surber will be presenting on it at NSGIC and MiCAMP. Will begin implementation plans after the conferences. Contact Paul Harmon with any questions.
2. Transportation Stewardship Plan is in review and will be out for public comment sometime next week at www.michigan.gov/nsdi.

Laura Blastic, DTMB/CSSTP

1. Working on Census redistricting data. Laura has taken on the Project Manager role of the redistricting project. Lisa Moyer is the data center contact.
2. Shared Solutions continues address cleansing, shared sites, and cloud storage. Forward any questions to Laura.

VIII. MSU/RSGIS Projects and Activities

Not represented

IX. County/Local Projects and Activities

Allegan County, Valdis Kalnins

1. Workshop scheduled for MiCAMP.

X. Regional Projects and Activities

Not represented

XI. Federal Projects and Activities

Steve Aichele, USGS

1. Starting fiscal year without resolution of budget makes it unclear how it will affect spring flying.

XII. Other Issues

Paul Harmon, CSSTP/DTMB

1. October 1st is the implementation date for the new State of Michigan website. Please take a look at the CSSTP web pages you typically view before our next meeting, and inform us of any issues you may find.

XIII. Next Meeting Date October 7, 2010 10AM
