

**Meeting Description:** Monthly GIS Users Group Meeting

**Date:** October 7, 2010

**Time:** 10:00 AM

**Location:** Michigan Center for Shared Solutions & Technology Partnerships, George W. Romney Building, 10<sup>th</sup> Floor, Large Conference Room

**Attendees:**

Everett Root, DTMB/CSSTP

Paul Harmon, DTMB/CSSTP

Steve Aichele, USGS

Joyce Newell, MDOT

George Boersma, DTMB/CSSTP

Steve Stepek, KATS

Barbara Kohls, DNRE

Teri Debler, DTMB/CSSTP

**Teleconference:**

Scott Ambs, Jackson County

Valdis Kalnins, Allegan County

Trevor Floyd, St. Clair County

**I. Approval of Meeting Minutes**

1. September meeting minutes are available for viewing on the CSSTP website.

**II. Geographic Framework Program**

**A. Framework Activities Update**

Everett Root for Laura Blastic, CSSTP

1. Deadline to submit changes for Version 11 is December 1; lockdown will be around February 1<sup>st</sup> with a delivery date in early April.
2. Version 10 did all go to the geographic data library, updated pdf maps from Tony Olkowski will be available soon.
3. Tile cache will be updated with Framework version 10 geography.

## **B. Digital Ortho Update**

Everett Root, CSSTP

1. Looking for 2011 partnerships for Bing flight.
2. Michigan Imagery Solution (MIS) is up and running for state employees. 225 registered users so far. Conducted brown bag meetings.
3. Status handouts from Steve Aichele are attached. Green area is '04 -'09 data. Blue area is data that was collected this year. Grey is the '08 DHS border project data.

## **C. Conferences Update**

1. Michigan Digital Summit is October 19-20. Registration is now closed.
2. Imagin Conference, May 2-3, 2011, in Bay City at the Double Tree. Will have ESRI speaker, federal speaker, and invited Eric Swanson, CSSTP Director, to speak.

## **III. MDNRE Projects and Activities**

Barbara Kohls, DNRE

1. CSSTP is working on several DNR and DEQ applications.

## **IV. MDOT Projects and Activities**

Joyce Newell, MDOT

1. Waiting for Version 10 PR Finder.
2. Trunkline system is almost finished.
3. TRAMS (an internal system) is on an old server with old software and they are looking for ways to update it.
4. Plan to move TMS data into Oracle spatial.
5. Her manager went to IHEEP and found 300 more potential GIS users. There is interest in providing CAD users access to imagery
6. Approved a plan for Roadsoft for next year.
  - a. Improve traffic data inputs
  - b. Build work order modules
  - c. Talking about the need for a way for all state and local entities to share data, building a central repository for data collected via modules
7. Did get new software for HPMS and Don will be sending out spreadsheets.

## **V. MSP Projects and Activities**

Not represented

## **VI. MDCH Projects and Activities**

Not represented

## **VII. CSSTP Projects and Activities**

Everett Root, DTMB/CSSTP

1. New applications launching in October. A new wetlands viewer and an environmental mapper. Will try to demo at next meeting.

Paul Harmon, DTMB/CSSTP

1. Brought printed GIS business plan (pdf is available online at: [http://www.michigan.gov/documents/cgi/MI\\_NSDI\\_Business\\_Plan\\_Public\\_Comment\\_Draft\\_326103\\_7.pdf](http://www.michigan.gov/documents/cgi/MI_NSDI_Business_Plan_Public_Comment_Draft_326103_7.pdf)).
2. Transportation Stewardship Plan is available at [www.michigan.gov/nsdi](http://www.michigan.gov/nsdi).
3. Working on closing out the 2009 cap grants.
4. Planning for implementation of the business plan. Watch for emails.
5. Cross-boundary meeting toward the end of this month; information will be updated on the website depending upon State of Michigan website conversion issues.

## **VIII. MSU/RSGIS Projects and Activities**

Not represented

## **IX. County/Local Projects and Activities**

**Allegan County**, Valdis Kalnins

1. Questioning oil and gas data availability. Everett will check into.

**Jackson County**, Scott Ambs

1. Bringing parcels up to date on website.
2. Working with surveyor to finalize the framework.
3. Upgraded to Arc 10 which has created some issues due to the vendor environment not up to version 10.
4. Gearing up for 2011 flight; going with Oblique.

**St. Clair County**, Trevor Floyd

1. Aerials delivered from SEMCOG.
2. Waiting to see what the LiDAR looks like.
3. Still no County GIS Coordinator

## **X. Regional Projects and Activities**

Steve Stepek, KATS

1. No updates

## **XI. Federal Projects and Activities**

Steve Aichele, USGS

1. Budget still undecided, at least until December 6. Emphasis will be put on updating the 30-70 year old elevation data in most of the state.
2. 2010 NAIP has been collected and parts are on the data gateway.
3. Probably no 2011 NAIP in Michigan.
4. Michigan topographic maps are being produced and do reflect new LiDAR, NHD, and latest transportation layers. Should be complete by end of 2011.
5. Continuing improvements to the National Map Viewer.

## **XII. Other Issues**

**XIII. Next Meeting Date November 4, 2010 10AM**

# USGS 2010 LiDAR Acquisitions

## EXPLANATION

-  GLRI - USGS Contracted
-  GLRI - Grants to counties
-  USGS ARRA projects
-  Pre-existing
-  Lake Erie-Lake St. Clair watershed boundaries
