

GIS Meeting Minutes June 9, 2015

Welcome by Everett Root, Office of Technology Partnerships.

The June GIS Meeting was held in conjunction with the IMAGIN Conference at the Great Wolf Lodge in Traverse City. The format for the meeting was shortened as it was an afternoon session only and the agenda was as follows:

1:00 – 1:30 Networking

1:30 – 2:30 Update on State of Michigan GIS Activities

Everett Root gave an update on the MISAIL Program

Josh Ross gave an update on the Michigan Geographic Framework (MGF)

Mark Holmes gave an update on the Enterprise Information Management (EIM), discussed the new Michigan GIS Data Portal, and the efforts to bring together a Multi-Agency Master Addressing file. Census Bureau and Boundary and Annexation Survey (BAS) and Boundary Quality Assessment and Reconciliation Project (BQARP) were discussed, and the creation of a State Parcel Layer was also a popular subject.

2:30 – 3:15 Small Group Discussions:

Everett led a group discussion on Imagery and Lidar

Josh led a group discussion on Michigan Geographic Framework

Mark led a group discussion on a statewide parcel layer.

3:15 – 3:30 Wrap up
