Morning session Special Topic:

**MiCAMP (Michigan Communities Association of Mapping Professionals) Conference recap**  
**MiSAIL (Michigan Statewide Authoritative Imagery and Lidar) program review**

Part #1 Presented by: Andrew Hartwick – Past-President MiCAMP  
Andrew will provide a recap of the most recent MiCAMP conference.

Part #2 Presented by: Sanchit Agarwal, Sanborn Map Company, and Everett Root, DTMB,  
Sanchit and Everett will review the MiSAIL program specifications and deliverables as well as provide an update on Sanborn activities in Lidar and oblique imagery.

---

Afternoon Educational Topic: **Non-Motorized Trail Mapping**

Part #1 Presented by: Nancy Krupiarz – Michigan Trails and Greenways Alliance

Nancy will provide an update on the mapping activities in support of the Up North Trails website: [www.upnorthtrails.org](http://www.upnorthtrails.org)

Part #2 Presented by: Lori Eschenburg – St. Clair County Planning

Lori will be presenting the Blueways of St. Clair website and program. She will highlight how the website was built using ARC GIS and its tools. She will also present the first National Water Trail in the State of Michigan. Marketing the Island Loop Route National Water Trail program is greatly benefitted by using ARC GIS technology to create great looking materials. Lori is currently working on a Blue Water Trail Towns grant with six partners. Lori will show how she is using ARC GIS to display recreation assets, and to communicate a municipality's recreation goals.

Part #3 Presented by: Laura Tschirhart – Tri-County Regional Planning Commission

Laura will talk about how GIS and trails are used in a Metropolitan Planning Organization's Regional Transportation Non-Motorized System Plan along with the partnerships that have developed with local, regional and state agencies.

Part #4 Presented by: Kim Kennedy – Michigan Dept. of Natural Resources (MDNR)

Kim will provide an update on MDNR trail mapping activities in support of the Governor's Showcase Trail
