# Michigan Asbestos Symposium for Trainers/Contractors

## 1 Who Should Attend . . .

This symposium will focus on training issues related to the regulation of asbestos. In addition, we will address enforcement concerns and other issues of general interest. This program is a must for Michigan Approved Training Providers and Asbestos Abatement Contractors who are licensed by the Michigan Department of Labor and Economic Growth.

- ▶ Asbestos Training Providers and Abatement Contractors concerned with the interpretation of asbestos rules and regulations.
- ▶ Contractors concerned about asbestos abatement as it relates to NESHAP and MIOSHA.

## 2 Why Attend This Symposium . . .

- ▶ To accurately inform clientele of current asbestos information, regulations, and interpretations.
- ▶ To know what to expect when MIOSHA visits.

## 3 What You'll Learn . . .

This symposium will provide current information to Asbestos Training Providers and Asbestos Abatement Contractors in regard to inspection procedures; interpretation of regulations; the enforcement of regulations; and the licensing and accreditation application process. In addition, you will meet key players involved in the training and enforcement of asbestos regulations.

- ▶ Asbestos Education; Outreach/Survey
- ▶ EPA's Current Agenda
- ▶ NESHAP Issues
- ▶ Naturally Occurring Asbestos Sites in Michigan
- ▶ Training/Licensing/Accreditation Issues
- ▶ Demolition Requirements
- ▶ DOT Regulations
- ▶ Investigation Procedures: Acceptable Work Practices; NEA applicability

### Topics

All meetings are accessible and barrier free. Please contact the cosponsor or Asbestos Program, at least two weeks in advance, to request necessary accommodations.

## Facilitators

The MIOSHA Administrative Staff and the DLEG - Asbestos Program Staff

With special guest speakers:

Phil King, US EPA Region V
