

dba Registration for Insurance Licensees

Instructions:

Complete and sign either the individual or entity section of this form, but not both. Use a separate form for each individual or entity. Attach a certified copy of the dba filing that will serve as legal proof of the dba. Mail or deliver to the address below. There is no fee to register or change a dba for insurance professionals or entities. DO NOT send money with this form. A dba does not appear on any license, so a new license will not be produced as a result of this change.
