POLICY STATEMENT:

To implement, manage and evaluate an environmental and waste management, hazardous materials, Right-to-know, and other environmental/public health regulatory compliance program for the Department.

POLICY:

- A. The Department shall develop, implement, annually update and revise, as needed, an Environmental and Waste Management Plan.
- B. "Environmental and Waste Management Plan" means a Department-wide plan designed to:
 - 1. Minimize the risk to human health and the environment caused by various hazardous materials and regulated wastes;
 - 2. Minimize the generation of regulated waste;
 - 3. Minimize the use of products that may generate regulated wastes;
 - 4. Encourage the practice of recycling and reuse; and
 - 5. Ensure that the Department and all of its facilities meet and adhere to all applicable state and federal environmental public health regulations and rules.
- C. The Environmental Affairs Sections (Bureau of Administrative Services) shall be charged with the development, implementation, management, evaluation and revision of the Plan for the Department.
- D. The Environmental Affairs Section shall also have the authority to interpret and enforce the provisions and requirements contained in the Plan.
- E. All affected Department employees and units shall adhere to all applicable provisions and requirements contained in the initial Plan, dated April, 1990, and to all subsequent revisions to the Plan.
- F. Any and all problems associated with plan implementation are to be reported to the Environmental Affairs Section. The Section will assist all affected Department units with implementation of the Plan.
- G. Copies of the Plan will be sent to all affected Department units directly from the Environmental Affairs Section. The Plan shall not be copied or distributed without first receiving permission from the Environmental Affairs Section.
- H. Wardens shall ensure that within 60 days of its effective date, procedures implementing this policy are developed and forwarded to the appropriate Assistant Deputy Director with a copy to the Environmental Affairs Section. The Environmental Affairs Section shall consult with other units in the Department regarding their need to develop procedures in this area.
