

**REPORT TO THE LEGISLATURE**  
**Pursuant to P.A. 114 of 2009**  
**Section 804(2)**  
**Prisoner Off-Site Medical Care**

By March 1, 2010, the department shall report to the senate and house appropriations subcommittees on corrections, the senate and house fiscal agencies, and the state budget director on prisoners receiving off-site inpatient medical care that would have received care in a state correctional facility if beds were available. The report shall include the number of prisoners receiving off-site inpatient medical care and average length of stay in an off-site facility during the period they would have received care in a state correctional facility if beds were available, by month and correctional facilities administration region.

The information to be reported is in reference to those prisoners who received off-site inpatient medical care that would have received care in a state correctional facility if beds were available. These are referred to as 'opportunity days'. For the period April 1, 2009 through January 31, 2010 there were 0 opportunity days.
