

REPORT TO THE LEGISLATURE
Pursuant to P.A. 114 of 2009
Section 612(4)
Parole/Probation Violators
2nd Quarter Report
(November 2009 – January 2010 Data)

Section 612(4) of 2009 P.A.114 requires that the Department of Corrections provide a report on the number of all parolees returned to prison and probationers sentenced to prison for either technical violations or new sentences during the preceding calendar quarter, broken down by probationers, parolees after their first parole, and parolees who have been paroled more than once, including detailed information regarding:

- (a) *The number of parole and probation violators returned to or sent to prison for a new crime with a comparison of original versus new offenses by major offense type: assaultive, nonassaultive, drug, and sex.*

See **TABLE A1** for probation violators sent to prison for new sentences committed while on probation. See **TABLE A2** for parole violators returned to prison for new sentences (PVNS) committed while on parole.

- (b) *The number of offenders returned for a technical violation and the type of violation, including, but not limited to, zero gun tolerance and substance abuse violations.*

For probationers sentenced to prison, charges for technical violations are not recorded in our data system (although planned as a future enhancement). See **TABLE B** for all sustained charges for parole technical violators returned to prison.

- (c) *The educational history of those offenders, including how many had a G.E.D. or high school diploma prior to incarceration in prison, how many received a G.E.D. while in prison, and how many received a vocational certificate while in prison.*

For probationers sentenced to prison see **TABLE C1**. See **TABLE C2** and **TABLE C3** for parolees returned to prison.

- (d) *The number of offenders who participated in the MPRI versus the number of those who did not.*

Not applicable for probationers sentenced to prison since the Michigan Prisoner ReEntry Initiative (MPRI) participants are prisoners returning to the community by either parole or discharge on the maximum sentence. See **TABLE D** for parolees returned to prison.

- (e) *The unduplicated number of offenders who participated in substance abuse treatment programs, mental health treatment programs, or both, while in prison by diagnosis.*

See **TABLE E** for parolees returned to prison.
