Metric ID	Metric	Status	Progress	Target	Current	Previous	Frequency	Metric Definition
V5 - Humane, Protective Custodial Care, Rehabilitative Opportunities, Reentry Assistance								
REA-01	Prisoners Completing Required Programming - % Prisoners Completing			80.0%	0.0% FY 2015, June	0.0%	Monthly	Prisoner programming focuses on changing the a prisoner's thought processes utilizing cognitive restructuring and behavioral techniques. Prisoners are considered for programming while incarcerated based on their assessed risk and need level and are prioritized for programming by their earliest release date (ERD). Prisoners participate in VPP, T4C, Bridges, Meridians and Moving On programming. The Parole Board considers approximately 15,000 prisoners per year for parole or continuance on the prison sentence(s) for which a prisoner is serving. It is the goal of the Reentry Services Division that offenders have completed the required programming 8 months in advance of ERD, so that the programming is complete when the prisoner is considered by the Parole Board. A higher percentage indicates a greater number of prisoners being better prepared, in advance of being seen by the Parole Board.
REA-02	GED Certificates - # GED Certificates Completed	Red		450	242 FY 2015, Q3	424	Quarterly	The Michigan Department of Corrections (MDOC) releases approximately 10,000 prisoners each year, and the Department is committed to providing academic skills training for prisoners designed to enhance their ability to acquire and maintain employment upon release. A higher number of GED Certificate completions indicates greater preparation by prisoners for seeking and maintaining employment upon their release.
REA-03	CTE/Vocational Certifications - # Completed	Red		450	269 FY 2015, Q3	311	Quarterly	The Michigan Department of Corrections (MDOC) releases approximately 10,000 prisoners each year, and the Department is committed to providing technical and workplace skills training for prisoners designed to enhance their ability to acquire and maintain employment upon release. A higher number of CTE/Vocational Certificate completions indicates greater preparation by prisoners for seeking and maintaining employment upon their release.
REA-04	Employment Readiness Program - # Completions	Red		600	427 FY 2015, Q3	501	Quarterly	The Michigan Department of Corrections (MDOC) releases approximately 10,000 prisoners each year, and the Department is committed to providing workplace skills training for prisoners designed to enhance their ability to acquire and maintain employment upon release. A higher number of Employment Readiness Program completions indicates greater preparation by prisoners for seeking and maintaining employment upon their release.
REA-05	Applications for Birth Certificates - # Completed	Green		600	563 FY 2015, Q3	500	Quarterly	The Michigan Department of Corrections (MDOC) releases approximately 10,000 prisoners each year on parole, and the Department is committed to ensuring that each prisoner is in possession of necessary vital documents upon his/her

								release (e.g., birth certificate). A higher number of prisoners in possession of these documents upon their release enhances, overall, their ability to acquire and maintain employment.
REA-06	LCRRP participants Returned to Prison Within 6 Months of Successfully Completing the Program Requirements - % Returned			10.0%	0.0% FY 2015, Q3	0.0%	Quarterly	The Michigan Department of Corrections (MDOC) Lake County Residential Reentry Program (LCRRP) releases an unspecified number of prisoners each year, and the Department is committed to reducing the prison commitment rate and recidivism rate of its population. The goal of LCRRP is to give the offenders the skills needed to not return to prison after completing the brief programming. The lower the percentage rate the better the progress being made.
