ORDER OF ADJOURNMENT

The above-captioned case was noticed for hearing for May 30, 2012. An Answer to West Bay Exploration Company's Petition was timely filed by the Township of Leoni. The Answer objects to the Petition as the Township asserts that it is an owner in the proposed drilling unit that has not been leased or otherwise pooled into the proposed unit.

At the time and place set for hearing, the Parties appeared and stipulated to an adjournment while they pursue settlement of this issue.

NOW THEREFORE, IT IS ORDERED:

2. The Parties shall file and serve a status report with the Tribunal on or before June 14, 2012, providing the current posture of the case.
