# Fugitive Dust Management Workshop

## SPEAKERS

---

### **Jim Ostrowski**

Environmental Manager, MDEQ, Office of Environmental Assistance  
517-284-6870 [ostrowskij2@michigan.gov](mailto:ostrowskij2@michigan.gov)

Jim Ostrowski manages the Training and Outreach Unit located within the DEQ's Office of Environmental Assistance. He specializes in developing training tools and conducting workshops for state and federal air quality requirements and providing compliance assistance to companies throughout the state. Jim has developed and conducted several training programs for companies subject to air permitting, air emissions reporting, and various other requirements. Jim is a graduate of Michigan State University and holds a bachelor's degree in environmental and natural resource policy studies.

### **Jenifer M. Dixon**

Senior Environmental Quality Analyst, MDEQ, Air Quality Division  
616-356-0003 [dixonj2@michigan.gov](mailto:dixonj2@michigan.gov)

Jenifer M. Dixon is a Senior Environmental Quality Analyst that has been an inspector with the Air Quality Division since 1999. Her coverage area includes Muskegon County, Oceana County, and a portion of Kent County.

### **Brandie Jacobs Stefanski**

Senior Environmental Quality Analyst, MDEQ, Water Resources Division  
616-356-0211 [stefanskib@michigan.gov](mailto:stefanskib@michigan.gov)

Brandie Stefanski earned her BS from Central Michigan University and has worked in the State of Michigan's soil erosion and sedimentation control programs for 13 years. Brandie and her family reside in Grand Rapids. She has served on the Kent County Conservation District Board and enjoys volunteering at the C.A. Frost Environmental Science Academy where her son attends first grade.

### **April Lazzaro**

Senior Environmental Quality Analyst, MDEQ, Air Quality Division  
616-356-0248 [lazzaroa@michigan.gov](mailto:lazzaroa@michigan.gov)

April Lazzaro is a Senior Environmental Quality Analyst for the Air Quality Division. She received her bachelor's degree from Olivet College and is a 15 year veteran of the Air Quality Division. April specializes in compliance determinations. She can be contacted at [lazzaroa@michigan.gov](mailto:lazzaroa@michigan.gov).

### **Tim Driesenga**

Plant Manager, PADNOS

PADNOS continues to be a family business with four generations working to innovate the recycling industry. PADNOS has grown to 20 locations, employs over 500 people, and has been recycling in our west Michigan communities for over a century. Tim Driesenga has been with the company for over 10 years serving as the plant manager (superintendent) for their Holland facility. During this time Tim has been involved with several dust abatement projects that will be outlined during the presentation.

### **Kathryn Cunningham, P.E.**

Environmental Services, Air Quality, Consumers Energy  
517-768-3462 [Kathryn.cunningham@cmsenergy.com](mailto:Kathryn.cunningham@cmsenergy.com)

Kathryn Cunningham is a Professional Environmental Engineer with a BS in Environmental Engineering from Michigan Technological University and an MSBA from Madonna University. Her career started in environmental consulting and then migrated to industry, working for Ford, Visteon, and Holcim Cement as an environmental professional both at manufacturing plants and in Corporate Roles. She is now a Senior Environmental Planner for Consumers Energy, in the corporate offices in Jackson, focusing on Air Quality Compliance.
