

# AGENDA

## Fugitive Dust Management Workshop

Laurel Manor, Livonia Michigan

March 18, 2014

---

- 8:00 Registration and Breakfast
- 8:30 Welcome and Introduction  
*Jim Ostrowski - DEQ, Office of Environmental Assistance*
- 8:40 Particulate Matter and Air Quality  
*Nazaret Sandoval - DEQ, Air Quality Division*
- 9:20 Sediment and Water Regulations  
*Ken Mroczkowski - DEQ, Water Resources Division*
- 9:45 BREAK
- 10:05 Fugitive Dust Control Methods and Developing a Fugitive Dust Control Plan  
*Steve Weis – DEQ, Air Quality Division*
- 10:45 Fugitive Dust Control Methods and BMPs for Sediment  
*Ken Mroczkowski - DEQ, Water Resources Division*
- 11:05 Case Study Presentations  
*Iranna Konanahalli – DEQ, Air Quality Division*  
*Eric Allen – MIOSHA*
- 11:35 Wrap Up and Visit Exhibitors

# SPEAKERS

---

## **Jim Ostrowski**

Environmental Manager, MDEQ, Office of Environmental Assistance

517-284-6870 [ostrowskij2@michigan.gov](mailto:ostrowskij2@michigan.gov)

Jim Ostrowski manages the Training and Outreach Unit located within the DEQ's Office of Environmental Assistance. He specializes in developing training tools and conducting workshops for state and federal air quality requirements and providing compliance assistance to companies throughout the state. Jim has developed and conducted several training programs for companies subject to air permitting, air emissions reporting, and various other requirements. Jim is a graduate of Michigan State University and holds a bachelor's degree in environmental and natural resource policy studies.

## **Nazaret Sandoval**

Environmental Engineer, MDEQ, Air Quality Division

313-456-4680 [sandovalc@michigan.gov](mailto:sandovalc@michigan.gov)

Nazaret Sandoval is from Caracas, Venezuela. Previous to her relocation to the US in 1990 she worked as a consultant engineer and in research & development for the petroleum industry. Nazaret has worked for the DEQ for almost 12 years. The first five years she was part of the DEQ Surface Water Quality Division/ Wastewater Program and then she worked in the Drinking Water Program for another five years. Her expertise is quite diverse and includes: engineering reviews for construction permitting, inspection, and regulatory compliance for Municipal Wastewater Treatment Plants, Collection System, and Drinking Water Facilities. She joined the Air Quality Division at the DEQ in May 2012 and works as a Field Inspector in the Detroit office. Nazaret holds a Bachelor Degree in Chemical Engineer, an Advance Degree in Petrochemical and a Master Degree in Civil/Environmental Engineering.

## **Kenneth M. Mroczkowski**

Environmental Quality Analyst, MDEQ, Water Resources Division

517-780-7693 [mroczkowskik@michigan.gov](mailto:mroczkowskik@michigan.gov)

Ken Mroczkowski has worked for the DEQ for 11 years now. The first three were in the Remediation and Redevelopment Division's Drinking Water Laboratory as a Lab Technician and the last 8 years have been with the Water Resource Division in the Soil Erosion and Sedimentation Control/Construction Storm Water and Industrial Storm Water Programs. Ken and his family reside just northwest of Jackson and when he is not playing with his 9 year old son and 5 year old daughter he is trying to finish up on an old truck he would like to get on the road one day.

## **Steve Weis**

Environmental Engineer, MDEQ, Air Quality Division

313-456-4688 [weiss@michigan.gov](mailto:weiss@michigan.gov)

Steve Weis has worked in the Detroit Office of the Michigan Department of Environmental Quality's (MDEQ) Air Quality Division since 2001. He has over 18 years of air quality experience working with MDEQ and the Wayne County Department of Environment. Steve has earned Bachelors and Masters Degrees in Civil/Environmental Engineering.

## **Iranna Konanahalli**

Environmental Engineer, MDEQ, Air Quality Division

586-753-3741 [konanahallii@michigan.gov](mailto:konanahallii@michigan.gov)

Iranna Konanahalli is an air quality inspector in the Air Quality Divisions Southeast Michigan District office. He has about 25 years of experience in Air Quality (inspections, installation & operating permits, enforcement, emissions measurement, etc.). Iranna has an MS in Chemical Engineering.

## **Eric Allen**

Industrial Hygienist, MIOSHA CSHD & Asbestos Program

517-322-1856 [allene2@michigan.gov](mailto:allene2@michigan.gov)

Eric Allen obtained BS from Madonna University in Occupational Safety Health and Fire Science in 2004, obtained a Graduate Safety Certificate from Wayne State University in 2007, and obtained a MS from Wayne State University in Occupational and Environmental Health Sciences with a Primary Focus of Industrial Hygiene. Before joining MIOSHA, Eric worked at a fully integrated steel mill, and in the construction trade.
