Re: Follow-up questions from Enbridge's presentation to  
the Michigan Petroleum Pipeline Task Force

Dear Mr. Shamla:

On behalf of the Michigan Petroleum Task Force, I would like to express our appreciation for your presentation to the Task Force on behalf of Enbridge. If you recall, several questions were raised during and following your presentation that you believed would be best answered by others within your organization, and you agreed to facilitate providing responses.

I gathered a number of questions from the members of the Task Force and have compiled them on the enclosed document. We would appreciate your response to those questions by February 27, 2015.

If you have any questions or require clarification, please feel free to contact me or Bob Reichel. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Peter Manning".
