Steve –

The Department of Environmental Quality (DEQ), Resource Management Division (RMD), has completed a review of the Additional Work Proposed for 2012, Midland Area Soils Project, that was submitted by Dow via e-mail on July 13, 2012. The DEQ has also reviewed the related materials that were posted by Dow to the project Sharepoint site.

The DEQ hereby extends the June 1, 2012, approval of the Interim Response Activity Plan Designed to Meet Criteria for Midland Area Soils to cover the Additional Work Proposed for 2012, Midland Area Soils Project.

Should you have any questions regarding this approval, please contact Ms. DeLores Montgomery, Chief, Hazardous Waste Section (HWS), RMD, at 517-373-7973 or [montgomeryd1@michigan.gov](mailto:montgomeryd1@michigan.gov); or Mr. Al Taylor, HWS, RMD, at 517-335-4799 or [taylora@michigan.gov](mailto:taylora@michigan.gov); or you may contact them at DEQ, P.O. Box 30241, Lansing, Michigan 48909-7741; or you may contact me.

**Subject:** Addition 2012 City Of Midland Work

Liane,

Please find attached a brief memorandum describing Dow's plans for additional work for the City of Midland Work Plan during the summer of 2012.

Do to the size of some of the referenced attachments they have been posted on the project share point server rather than attempt to email.

If you or your staff have any questions or concerns please do not hesitate to contact me. I will return from vacation and be back in the office on Monday.

A letter to the additional property owners has been mailed and we will start accepting access agreements from additional owners early next week.
