Instructions for Completing the Electronic Device Manufacturer Registration Form:

**PLEASE NOTE: ALL FIELDS MUST BE COMPLETED. IF A FIELD DOES NOT APPLY, PLEASE PUT "0," "N/A," ETC. REGISTRATION FORMS WITH MISSING INFORMATION WILL BE REJECTED. A LIST OF REGISTERED MANUFACTURERS OF COMPUTERS AND A LIST OF REGISTERED MANUFACTURERS OF VIDEO DISPLAY DEVICES AND THE WEB SITE ADDRESSES AT WHICH THEY PROVIDE INFORMATION ON RECYCLING COVERED ELECTRONIC DEVICES CAN BE FOUND AT ELECTRONIC WASTE TAKEBACK PROGRAM WEBSITE.**

**ELECTRONIC DEVICE MANUFACTURER:**

**Company Name (true name and all assumed names):** Enter the name of the individual, partnership, corporation, association, or other legal entity who owns the company and any assumed names used by the company in Michigan.

**Area Code and Telephone Number:** Enter telephone number of the company.

**Manufacturer Type:** Check the appropriate box if you are a video display device manufacturer and/or covered computer manufacturer. The devices are defined in Section 17301 of Part 173. Printers are "covered computers" after April 1, 2011, per Section 17301(b) of Part 173. Video Display Devices are defined as televisions with tuners (computer monitors are Computers, they are not Video Display Devices.) Check all that apply.

**Mailing Address:** Enter the address where correspondence to the manufacturer should be sent. Please include the county (if in Michigan) and country.

**Home Web Site Address:** Enter the manufacturer's Web site address for its main home page.

**Contact Name:** Enter the name of the primary contact person.

**Contact e-mail address:** Enter the e-mail address where electronic correspondence to the

manufacturer should be sent.

**Contact telephone number:** Enter the telephone number of the primary contact for issues associated with this registration.

List the brand names of covered electronic equipment and type of device(s) your company manufactures.

Enter the Web site address that you provide to consumers for information on your Takeback program as required in Section 17309(1)(d) of Part 173.

Describe the location of the Web site link that would allow a consumer to find the information about your Takeback program.

If provided, enter the telephone number you provide to consumers for information on your Takeback program.

Check the box that best describes the primary method used to meet the requirements of Section 17309 or Section 17311 as appropriate.

Identify the person responsible for verifying that the program is operating. This includes items such as collection sites that are operating and accepting covered electronic devices. This may be an outside service provider.

Describe your Takeback program.

Please check the appropriate box. Michigan law requires Computer manufacturers to at least accept their own brand for recycling (Section 17309) while Video Display Manufacturers (Televisions) must accept any brand and size television (Section 17311).

Please check the appropriate box. Sec. 17309(b) and Sec. 17311(b) require that a consumer not be required to pay a separate fee to return a device to a Takeback program.

Please check the appropriate box. Sec. 17309 and Section 17311(1)(c) require Takeback programs to be reasonably convenient.

Please check "unlimited" or insert a number. Note that Sec. 17309(2) and Sec. 17311(2) require that a Takeback program accept at least 7 covered devices from a single consumer on a single day.

What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

How do you provide information to consumers on how and where to return covered electronic devices?

Identify the number of locations in the state of Michigan provided to consumers interested in recycling covered electronic devices covered by the Takeback program [Section 17303(2)(c)(i)] . Permanent collection locations are considered locations that are open on an ongoing basis with regularly scheduled hours.

Population based on 2010 census numbers. Population numbers can be found at <http://www.michigan.gov/cgi/0,4548,7-158-54534-252541--,00.html>. Section 17309 and Section 17311(1)(c) require Takeback programs to be reasonably convenient.

Collection events could be sponsored by the recycler or other companies but pounds of material that the company counts in its annual report were collected at the event.

Identify the total weight in tons of the covered electronic devices received by the Takeback program from consumers during the prior state fiscal year (October 1 through September 30). [Section 17303(2)(c)(iii)(A)]. If multiple Takeback methods are used, attribute the weight collected to each method used. A response in each box is required.

Please explain the processes and methods used to recycle or reuse the covered electronic devices received from Michigan consumers. Examples of processes and methods include direct export to a recycler outside of the United States, outside of Michigan, or to a Michigan electronics handler that dismantles and segregates metal, plastic, and glass components; shreds metal and plastics; and grinds glass. Metal is sold to foundries and steel manufacturers, glass to glass manufacturers, and plastic to plastic manufacturers for producing new metal products or components of products. Please also identify materials that are disposed, including the disposal method (e.g. disposed of at a nonhazardous solid waste landfill). [Section 17303(2)(c)(iii)(B)]

#### Takeback Program Consumer Contacts

If the web address listed above includes a link to the Takeback Program, describe how to find that link on the website.

Users can visit <http://www.usa.canon.com/ecoprograms>.

1. Scroll down to "State E Waste Laws."
2. In the dropdown menu, select "Michigan" and then "Submit."

If provided, what telephone number do you provide to consumers for information on your Takeback Program?

1-800-OK-CANON

#### Takeback Program Information

1)

What web address do you provide to consumers for information on your Takeback Program?

<http://www.usa.canon.com/ecoprograms>

2)

What are the primary methods utilized by your Takeback Program? Check up to two boxes.

Mailback

- Permanent Collection Site
- Collection Events
- Retailer

Identify the person responsible for coordination of the Takeback Program.

Name:

Amy Edgerton

Email Address:

aedgerton@cusa.canon.com

Phone:

631-330-4890

3)

Please describe your Takeback Program:

The customer will contact Canon for a prepaid shipping label. Once received, the customer will package the printer, apply the label, and ship via common carrier to our recycling facility in Virginia.

Are appropriate devices covered with your Takeback Program? Select appropriate answers below:

If you are a manufacturer of computers, do you accept all brands?

Yes

If you are a manufacturer of video display devices, do you accept all brands?

N/A

4)

Is your Takeback Program free to consumers?

Yes

5)

Is your Takeback Program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes

6)

What is the number of devices a consumer may deliver to your program each day?

- Unlimited
- A specific number (enter in space below)

7)

What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

1) Link to prepaid shipping label ("If you would like to mail back your printer free of charge, a label is

available here.")

2) Contact number to call for pre-paid shipping label.

8)

How do you provide information to consumers on how and where to return covered electronic devices?

Information is provided at <http://www.usa.canon.com/ecoprograms>.

Takeback Program Report

9)

List the number of permanent collection and/or recycling locations in the state of Michigan:

0

List the number of those collection sites that are located in counties with a population of less than 20,000 people:

N/A

10)

List the number of collection events held during the previous registration year in the state of Michigan:

0

List the weight of the covered electronic devices received by the Takeback Program from consumers during the prior year:

Tons through collection locations:

0

Tons through collection events:

0

Tons through retailers:

0

Tons by mailback:

0.0305

11)

Describe the processes and methods used to recycle or reuse the covered electronic devices received from consumers:

Hand-dismantled by trained Canon staff at our Canon Virginia site. Metals sent to metal scrap recycling facility, plastics sent to plastic brokers for reuse in other plastic products. Focus Materials managed per State and Federal regulations. This recycler is an R2-certified recycler.
