**TAKEBACK PROGRAM CONSUMER CONTACTS:**

- Enter the Web site address that you provide to consumers for information on your Takeback program as required in Section 17309(1)(d) of Part 173.
- Describe the location of the Web site link that would allow a consumer to find the information about your Takeback program.
- If provided, enter the telephone number you provide to consumers for information on your Takeback program.

**TAKEBACK PROGRAM INFORMATION:**

Please use only the space provided to answer these questions. Additional supporting information may be provided separately, however, the additional information not substitute for the brief information provided in this section. Do not only include the phrase "Please see attached information". A brief description is necessary.

- Check the box that best describes the primary method used to meet the requirements of Section 17309 or Section 17311 as appropriate.
- Identify the person responsible for verifying that the program is operating. This includes items such as collection sites that are operating and accepting covered electronic devices. This may be an outside service provider.
- Describe your Takeback program.
- Please check the appropriate box. Michigan law requires Computer manufacturers to at least accept their own brand for recycling (Section 17309) while Video Manufacturers (Televisions) must accept any brand and size television (Section 17311).
- Please check the appropriate box. Sec. 17309(b) and Sec. 17311(b) require that a consumer not be required to pay a separate fee to return a device to a Takeback program.
- Please check the appropriate box. Sec. 17309 and Section 17311(1)(c) require Takeback programs to be reasonably convenient.
- Please check "unlimited" or insert a number. Note that Sec. 17309(2) and Sec. 17311(2) require that a Takeback program accept at least 7 covered devices per consumer on a single day.
- What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?
- How do you provide information to consumers on how and where to return covered electronic devices?

**TAKEBACK PROGRAM REPORT**

Please include this information beginning with each registration submitted after the implementation of the Takeback program.

- Identify the number of locations in the state of Michigan provided to consumers interested in recycling covered electronic devices covered by the Takeback program [Section 17303(2)c(i)]. Permanent collection locations are considered locations that are open on an ongoing basis with regularly scheduled hours.

- Population based on 2010 census numbers. Population numbers can be found at <http://www.michigan.gov/cgi/0,4548,7-158-54534-252541--,00.html>. Section 17311(1)(c) require Takeback programs to be reasonably convenient.
- Collection events could be sponsored by the recycler or other companies but pounds of material that the company counts in its annual report were collected event.
- Identify the total weight in tons of the covered electronic devices received by the Takeback program from consumers during the prior state fiscal year (October to September 30). [Section 17303(2)(c)(iii)(A)]. If multiple Takeback methods are used, attribute the weight collected to each method used. A response in each required.
- Please explain the processes and methods used to recycle or reuse the covered electronic devices received from Michigan consumers. Examples of processes and methods include direct export to a recycler outside of the United States, outside of Michigan, or to a Michigan electronics handler that dismantles and segregates plastic, and glass components; shreds metal and plastics; and grinds glass. Metal is sold to foundries and steel manufacturers, glass to glass manufacturers or to plastic manufacturers for producing new metal products or components of products. Please also identify materials that are disposed, including the disposal method (e.g. disposed of at a nonhazardous solid waste landfill). [Section 17303(2)(c)(iii)(B)]
