TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program?

<http://www.lgrecyclingprogram.com>

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? (800) 243-0000

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

LG Electronics USA, Inc. has contracted with selected Recyclers to act as its collector and recycler of consumer electronics. The two primary means of collection in Michigan are fixed collection sites and periodic collection events. Collection events are scheduled only several weeks to a month in advance (not scheduled a year or even several months in advance). LG collects any brand of consumer electronics during collection events free of charge to consumers; fixed sites have historically been available to consumers wishing to drop off (free of charge) LG, Zenith and/or GoldStar brands of unwanted consumer electronics

9a. Are appropriate devices covered with your takeback program? Check appropriate box:

If you are a manufacturer of computers do you accept all brands?

Yes

No

N/A

If you are a manufacturer of video display devices do you accept all brands?

Yes

No

N/A

9b. Is your takeback program free to consumers?

Yes

No

9c. Is your takeback program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes

No

9d. What is the number of devices a consumer may deliver to your program each day? Unlimited # _____

9e. What method is used for takeback program? (check all that apply)

Mailback

Permanent collection site

Collection events

Retailer

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

See Internet site under "LG Recycling Program" which indicates fixed collection points, addresses and phone numbers for each State. A toll free number and upcoming collection events are also posted on the site. The link to the site is <http://www.lgrecyclingprogram.com>.

11. How do you provide information to consumers on how and where to return covered electronic devices?

Consumer outreach and education is provided primarily through the internet and collection events in collaboration with Keep America Beautiful.

[Empty box for additional information]

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:
1714.36 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:
Recyclers utilize mechanical processes to break down unwanted electronic equipment into component materials, which are then sold as commodities for further processing into recycled materials for re-use. Each selected Recyclers is a signatory of the BAN Recyclers' Pledge of True Stewardship and has been audited and certified to both R2 and E-Stewards recycling requirements. Each Recycler is under a contractual obligation to recycle unwanted consumer electronics in accordance with all State, Federal and Local laws as well as the BAN Pledge requirements. Approximately 93 - 98% of product by weight is recycled and all materials are processed at Recycler facilities.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
