TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your Takeback program?
www.microsoft.com/hardware/recycle

Vintage Tech provides a consumer education program. This program stresses the importance of not landfilling electronic waste, while informing the residents the most convenient way to recycle. Vintage Tech will post a link on www.michigan.gov/deq to www.vintagetechrecyclers.com.

8b. If the Web site address above includes a link to the Takeback program, describe how to find that link on the Web site: The Vintage Tech website has a tab, which lists sponsored drop off locations and collection event information. Drop off location information includes collection source, address, phone number and time of operation. Collection event information includes date, time and address.

8c. If provided, what telephone number do you provide to consumers for information on your Takeback program? In addition to information on the web, residents will have the option to call 866-664-5212 to speak with a customer service representative. Each customer service representative will be able to provide information regarding the closest drop off location according to zip code, upcoming events and mail back instructions.

9b. Please describe your Takeback program.

During FY13 we only relying on our partnership with Dell Reconnect and mailback. In FY14, we are increasing our collection and recycling greatly via the following:

Mail back program

If drop off site or collection event is not convenient for a consumer in Michigan, Vintage Tech provides a mail back option. The consumer must call 866-664-5212 to provide their name, address and specifications of the device. Once we have received that information, Vintage Tech will provide a UPS label and packaging instructions for shipment.
