TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your Takeback program?

<http://www.5rprocessors.com/index.php/recycling-locations/michigan>

8b. If the Web site address above includes a link to the Takeback program describe how to find that link on the Web site: *direct*

8c. If provided, what telephone number do you provide to consumers for information on your Takeback program? 1-888-977-6722

TAKEBACK PROGRAM INFORMATION

9. What are the primary method(s) utilized by your Takeback program? Check up to two boxes.

Mailback

Permanent collection site

Collection events

Retailer

9a. Identity of the person responsible for coordination of the Takeback program.

Name: Darlene Grotzinger
Phone #: 715-532-2077

e-mail address: dgrotzinger@5rltd.com

9b. Please describe your Takeback program.

Our recycler, 5R Processors hosts recycling events throughout Michigan. 5R has permanent drop off areas at their Michigan location and they also work with collectors in the State of Michigan who collect residential material at their location or through events. 5R processes the material they collect and assists other collectors with processing their material. 5R also partners with other recyclers who have residential material processed but not a OEM contract.

9c. Are appropriate devices covered with your Takeback program? Check appropriate box:

If you are a manufacturer of computers do you accept all brands?

Yes

No

N/A

If you are a manufacturer of video display devices do you accept all brands?

Yes

No

N/A

9d. Is your Takeback program free to consumers?

Yes

No

9e. Is your Takeback program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes

No

9f. What is the number of devices a consumer may deliver to your program each day? Unlimited # _____

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

ON's website (www.rca4tv.com/support/wheretorecycle) contains links to the 5R website (www.5RProcessors.com) with the events and mailback information.

11. How do you provide information to consumers on how and where to return covered electronic devices?

see 10 above. In addition, when we host an electronics recycling event we advertise via newspaper, radio, flyers and posters. When we work with Michigan-based collectors they advertise the events on their website and may do promotional advertising.

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the Takeback program)

12a. List the number of permanent collection and/or recycling locations in the state of Michigan. 6

- a(1) The number of those collection sites that are located in counties with a population of less than 20,000 people. 6

12b. The number of collection events held during previous registration year in the state of Michigan. 7

12c. List the weight of the covered electronic devices received by the Takeback program from consumers during the prior year:

284.9 tons thru collection locations 40 tons through collection events _____ tons through retailers 0 tons by mailback.

13. Describe the processes and methods used to recycle or reuse the covered electronic devices received from consumers: End of life processing which involves using commodities to remake new product

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
