Mailback

Permanent collection site

Collection events

Retailer

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

We provide step by step recycling process and packing instruction to consumer. Consumer will need to fill out return request form. Pack the recycling unit according to Premio's packing instruction. Print out shipping label and ship the unit to location specified by Premio

11. How do you provide information to consumers on how and where to return covered electronic devices?

We provide consumer with email and phone contact so that they know how & where to ship the product.

[Empty box for additional information]

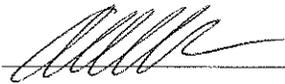

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:
0 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:
The recycling unit will not be donated or re-sold. All hard drives will be destroyed or wipe clean using DOD-certified software and written over multiple times with redundant data. Components and re-man material can be re-sold as long as ID labels and all Premio-related branding is removed. Recycling activities will be carried out in compliance with all state and federal requirements.

I, the undersigned registrant, swear and affirm, **UNDER PENALTY OF LAW**, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
