TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program? www.ricoh-usa.com

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? 877-987-7901

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Customers who own Ricoh, Lanier or Savin desktop printers can recycle them by printing a free UPS prepaid shipping label. Visit Ricoh's web site to obtain a label. <http://www.ricoh-usa.com/about/environment/environment.aspx?aInv=env?tsn=Ricoh-USA>

Click on the Desktop printer recycling on the lower left of page. Equipment is shipped to our certified electronics recycler for demanufacturing.

9a. Are appropriate devices covered with your takeback program? Check appropriate box:

If you are a manufacturer of computers do you accept all brands?

Yes

No

N/A

If you are a manufacturer of video display devices do you accept all brands?

Yes

No

N/A

9b. Is your takeback program free to consumers?

Yes

No

9c. Is your takeback program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes

No

9d. What is the number of devices a consumer may deliver to your program each day? Unlimited # _____

9e. What method is used for takeback program? (check all that apply)

Mailback

Permanent collection site

Collection events

Retailer

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

We refer them to our web site.

11. How do you provide information to consumers on how and where to return covered electronic devices?

On our web site

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

1,729 pounds Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers: Products are dismantled and sorted by commodity types; plastics, steel, aluminum, glass, circuit boards, wires and cables. Plastics are separate by type, baled and shipped to a plastics recycler. Mercury containing lamps are safely removed during dismanteling and sent to a qualified lamp recycler. Litium batteries are removed and taped individually to prevent contacting each other during shipment to a battery recycler. Toner containers and cartrdiges are sent to a waste to energy facility. Hard drives are removed and shredded. No other shredding takes palce to prevent cross contamination of materials.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
