

# CMDHD ON-SITE CONTRACTORS AND WASTE HAULERS MEETING

Thursday, April 14, 2011

8:30 am – 4:30 pm

Clare Church of the Nazarene, **10160 South Grant Avenue (Take Colonville Rd**

The Central Michigan District Health Department Environmental Health Staff is hosting a **make-up meeting due to the snow storm we received on the first scheduled date**. This meeting is for all installers, contractors, and septage haulers associated with construction of on-site sewage disposal systems and pumping and hauling septage.

## AGENDA

- 8:30 – 8:35 Registration and Welcome – Paul Menghini, Chair of On-site Committee  
*A big thanks to Marty and Milan Supply for providing the coffee, donuts and arranging for the use of the Church facility*
- 8:35 – 10:30 Excavation & Equipment Safety -- Jason Griffin, MIOSHA
- 10:30 – 10:45 BREAK
- 10:45 – 12:00 The Green Way -- Adam Bearup, Green Contractor and Scott Jones, Isabella Supr.
- 12:00 – 1:00 LUNCH – ON YOUR OWN (*lots of good choices of fast foods and sit down restaurants in Clare, just come back for the PM sessions!*)
- 1:00 - 2:00 Soil analysis and Wastewater Movement - Mark Janeczko, Gladwin & Arenac
- 2:00– 3:00 Alternative Technologies for Septics -- Marty DeRocco, Milan Supply
- 3:00 – 4:00 New Wastewater Treatment Plant Accepting Septage -- Dave DeGrand, Billings Twp, Paul Tatro, Higgins Lake (may not be able to make this date), MtPleasant WWTF operator
- 4:00 – 4:30 Question and answer period and wrap up

Please join us in discussing the topics presented, with an opportunity for questions to be addressed by our staff and guest speakers.

If you plan on attending or have any questions, please contact your local health department office or Paul Menghini, On-Site Program Chair at 989-366-9166, extension 8630 so we can get an accurate count for the room set up. All are welcome! Hope to see you there!

7.0 CSEC's are available for licensed septage haulers.
