TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Orion contracts with Materials Processing Company (MPC) to manage its recycling program in Michigan. Product is collected from various sites (list attached) and demanufactured at MPC's Mendota Heights, MN facility. A one time purchase of recycle credits was made from 5R Processors, Ladysmith, WI, during the fiscal year ending Sept. 30, 2011.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

Contact information is published in Owner's manuals and available on the company website

11. How do you provide information to consumers on how and where to return covered electronic devices?
Internet links

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

115.5 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:

Orion America has contracted with Materials Processing Company of Mendota Heights, MN for recycling Michigan material. Attached is an overview of their processing procedures.

Additional information is available at their website www.materialsprocessing.com/recycle.html

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
