TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

The takeback program consists of a mailback (common carrier) program using UPS. Consumers and small businesses, covered under the law, can return their printers for recycling by:

1. Going to the Ricoh internet site e-waste tab and selecting the state
2. Contacting the Ricoh e-waste recycler and request a prepaid UPS Label to be mailed to them.
3. Packing their machine in a sturdy carton.
4. Including the filled out release form with the machine.
5. Shipping it to Ricoh's recycling contractor.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

How to obtain a prepaid UPS shipping label.

Address of where to send their equipment for recycling.

11. How do you provide information to consumers on how and where to return covered electronic devices?

On our internet site and by toll free telephone number

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

0.5 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:

The equipment is received by our recycler and weighed. Next the equipment is moved to a staging area for dismantling. The equipment is dismantled and sorted by component commodities, that is, separation of circuit boards, plastics, as well as metals and other commodities. Toner containers are sent to a waste to energy facility.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete.
