TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program? www.tclusa.com -- TTE is in the process of adding information to the web site and will provide an update on this item in the near future.

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? TTE is presently examining this item to determine which telephone number will be utilized, and will provide an update on this item in the near future.

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Because TTE only recently initiated selling TCL branded products, it has not developed a takeback program as of the date of the submission of this registration. TTE intends to develop a takeback program, possibly using MRM Group, and will provide supplemental information in an updated registration form once this has been completed.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

Because TTE only recently initiated selling TCL branded products, it has not developed a takeback program as of the date of the submission of this registration. TTE intends to develop a takeback program, and will provide supplemental information in an updated registration form once this has been completed. TTE will provide information to consumers regarding this item once a takeback program has been developed.

11. How do you provide information to consumers on how and where to return covered electronic devices?

Because TTE only recently initiated selling TCL branded products, it has not developed a takeback program as of the date of the submission of this registration. TTE intends to develop a takeback program, and will provide supplemental information in an updated registration form once this has been completed. TTE will provide information to consumers regarding how and where to return covered electronics devices once a takeback program has been developed.

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the takeback program)

12. The total weight of the covered electronic devices received by the takeback program from consumers during the prior year:

0 Tons

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:

TTE is in the process of selecting a takeback program, possibly using MRM Group, and does not yet have any processes or methods selected. Once this has been completed, TTE will submit revised information explaining this item.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
