

# E-Waste Collection Event

AWTEC, National Steel Corp., AT & L Corp., Statewide Recycling, and Chrysan Industries

---

AWTEC held its 6<sup>th</sup> annual E-waste event where associates and their friends and family were given the opportunity to donate their E-waste. This allowed AWTEC to become acquainted with neighbors and discuss future possibilities for consolidating recycling services and other environmental friendly practices in the future. AWTEC volunteers waited to assist with unloading donated items. Proceeds were donated to benefit the Children's Center at Beaumont Hospital.
