

MICHIGAN DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY
Geologic Resources Management Division

Survey Record of Well Location

Required by authority of Part 615 or Part 625 of Act 451 PA 1994, as amended, to obtain a drilling permit.

Site Information

Applicant: _____

Well name and number: _____

Surface Location

County: _____

Township: _____

Section: _____ T: _____ R: _____

Quarter(Q): _____ QQ: _____ QQQ: _____

Section line distance:

_____ feet from nearest line North South

_____ feet from nearest line East West

Quarter section line distance:

_____ feet from nearest line North South

_____ feet from nearest line East West

Bottom Hole Location (for directional well only)

County: _____

Township: _____

Section: _____ T: _____ R: _____

Quarter(Q): _____ QQ: _____ QQQ: _____

Section line distance:

_____ feet from nearest line North South

_____ feet from nearest line East West

Quarter section line distance:

_____ feet from nearest line North South

_____ feet from nearest line East West

Bottom Hole

Directional Straight

Drilling unit line distance:

_____ feet from nearest line North South

_____ feet from nearest line East West

Zoning

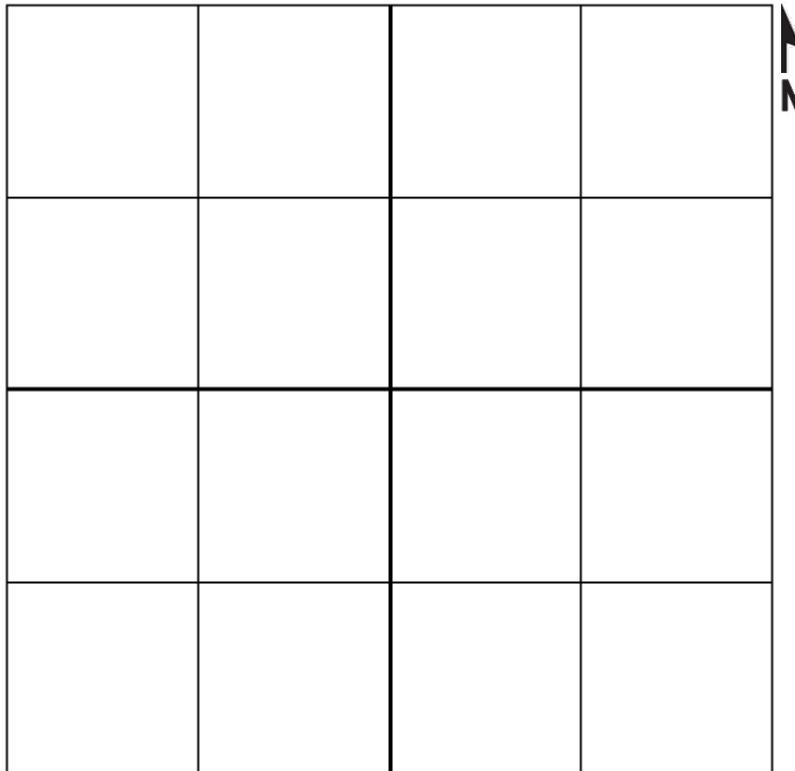

Residential, effective date: _____

Initial date of residential zoning: _____

Other: _____

Plat

Outline drilling unit for oil/gas wells (Part 615) or property boundary for mineral wells (Part 625) and spot well location on plat below. Locate the well in two directions from the nearest section, quarter section, and unit (or property, Part 625) lines. Plat represents one full section (1 square mile).

Show access to stake on plat. Describe if it is not readily accessible:

Attach a separate plat or plot plan. Locate, identify, and show distances to:

- a. All buildings, roads, power lines, residences, fresh water wells, and other man-made features within 600 feet of the stake.
- b. All lakes, streams, floodplains, wetlands, drainage-ways, environmentally sensitive areas, natural rivers, critical dune areas, and threatened or endangered species within 1320 feet of the stake.
- c. All Type I and Type IIa public water supply wells within 2000 feet and all Type IIb and Type III public water wells within 800 feet of the well stake.

Surveyor Certification

Licensed surveyor: _____ Company: _____

Phone number: _____ Date of survey: _____

I certify that the facts stated herein are true, accurate, and complete to the best of my knowledge.

Signature: _____ Date: _____
(affix seal)
