MAP INFORMATION

The data used to locate the mineral sites on this map was derived from the Department of Environmental Quality (MDEQ).

The accuracy of the locations may not be certain due to the possibility of errors in the original maps. It is suggested that the information be combined with other sources if the exact locations are required.

The information displayed on this map is intended for general planning purposes only. If further information is required, the user should contact the MDNR and the MDEQ.
