Small Business P2 Loan Program

The Small Business P2 Loan Program (P2 Loan Program)

- Loans of up to \$400,000
- Interest rate of 5% or less
- Independently owned businesses with 500 or fewer full time employees

Qualifying Projects

- Either eliminate or reduce waste at the business location (source reduction)
- Result in environmentally sound reuse and recycling for the loan applicant's generated wastes, or
- Conserve energy or water on-site.

Funding for the P2 Loan Program comes from a revolving loan fund, made possible through passage of the Clean Michigan Initiative in November of 1998. Low interest loans are available to all Michigan businesses including manufacturing, farming, retail and service
