

PLANNING OVERVIEW

FOUR PHASES OF EMERGENCY MANAGEMENT

Where is your organization in the preparedness cycle?

RESPONSE PHASE

What notifications will be made and by whom?

RESPONSE PHASE

What hazards are present?

RESPONSE PHASE

What are the initial incident objectives?

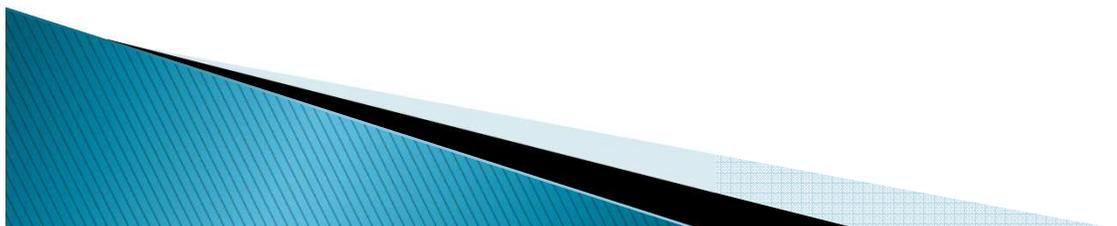

**How are YOU going to
respond?**

**Is your organization prepared
to function within the incident
command structure?**

INFORMATION GAPS?

EVALUATE/IMPROVE

▶ AFTER ACTION REVIEWS

- Facilitated by a third party not involved in the incident
- No blame

▶ CORRECTIVE ACTION PLANS

- Set deadlines

RECOVERY

- Often a forgotten phase.
- Business Continuity Plans
- Include all stakeholders
