

<u>Source Categories Allegedly Causing Odor Complaints</u>
Agriculture/Farming Complaints (CAFOs, Manure Spreading, etc.)
Animal Waste Storage & Incineration
Apartment Dweller's Neighbors (possible burning of illegal substance)
Asphalt Plants
Asphalt Terminals
Auto Assembly Plants
Automotive Mechanical Repair Facility-spray painting, solvents
Bakeries
Biosolids Dewatering Activities (at WWTPs)
Building ventilation (moisture in ductwork)
Burn Off Ovens
Campfires/Chimineas
Carpet
Chemical Process Plants
Coating Operations
Coffee Roasting
Composting facilities
Crematoriums (Animal or Human)
Crude oil truck unloading sites (and associated tanks)
Die-Cast Operations
Diesel exhaust
Ethanol Plants
Fast food establishments
Fertilizer Manufacturing
Fiberglass Insulation Manufacturing or Pressing Operations
Fiberglass Lay-up or Molding
Foundries
Garlic Bread/Garlic Snack Food Mfg
Gas Stations
Gas Terminals (Tank Farms)
Grain Elevators
Hardboard Manufacturing including wood digesters and dryers
Heat treating facilities
Incinerators (Garbage, Animal / Human Remains, etc.)
Landfill Operations
Metal foundries
Mining Operations (Trucks)
Mold
Municipal Waste Storage & Incineration
Nail Salon
Natural Gas Sweetening Facilities
Oil Coated Borings Piles (at scrap yards)
Oil/gas wells
Open Burning (Mainly Residential but some Commercial)
Painting (of buildings)
Painting Operations (Automotive and Other Painting/Solvent Operations)
Paper Production
Petroleum Refinery

<u>Source Categories Allegedly Causing Odor Complaints</u>
Pharmeceuticals
Printing Operations
Propane Tank Processing
Public Owned Treatment Works
Quarrying operations (groundwater)
Rendering Facilities
Restaurants
Sludge Incinerators
Standing Water in Ditch
Storm and sanitary sewer systems
Sugar Beet Processing
Surface Coating Operations
Torch Cutting Operations at Scrap Yards
Trash burning
Truck Stops
Turkey Litter Gasification
Waste Oil Recycling/Reclamation
Waste Water Treatment Plants, municipal and commercial
Welding
Wood Board/Press Board Production
Wood Burning for Heat - Residential (wood stoves and OWB)
Wood fired power plants
Wood Storage Piles

<u>Historical Sources for Odors - Addressing Through Prevention</u>	<u>Compound</u>
Animal Waste Storage	Biological / Organics
Asphalt Plants	Asphalt Odors
Asphalt Terminals	Asphalt Odors
Auto Assembly Plants	Solvents
Chemical Process Plants	Chemicals
Ethanol Plants	Biological /Organics
Fertilizer Manufacturing	Chemicals
Fiberglass Insulation Manufacturing or Pressing Operations	Phenol / Ammonia / Amines
Fiberglass Lay-up or Molding	Styrene
Grain Elevators	Biological / Organics
Landfill Operations	Biological / Organics
Municipal Waste Storage & Incineration	Biological / Organics
Natural Gas Sweetening Facilities	Hydrogen Sulfide
Paper Production	Chlorine / Biological / Organics
Pharmaceuticals	Chemicals
Printing Operations	Solvents
Public Owned Treatment Works	Biological / Organics
Rendering Facilities	Biological / Organics
Sludge Incinerators	Biological / Organics
Surface Coating Operations	Solvents
Waste Oil Reclamation	Hydrogen Sulfide
Wood Board Production	Phenol / Ammonia / Amines
