

84 ppb Ozone Attainment Designation Status

2006-2008 Data – EPA plans to Redesignate SE Michigan to Attainment

SE Michigan Counties

EPA published SE Michigan redesignation request in the April 23, 2009 Federal Register.

West Michigan Counties

Allegan, violated the 8-hour standard in 2008 due to transport.

2006-2008 Data:

Monitor Violated 8-hr

Monitor Met 8-hr

Bold dark line around county or region shows individual nonattainment areas.

Note that the "1997 8-hour Ozone Standard of 0.08 ppm" is labeled "84 ppb Ozone" for simplicity.
