

MICHIGAN DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY

Air Quality Division

**Notification of Performance Test Report**

This information is required by Article II, Part 55 (Air Pollution Control) of P.A. 451 of 1994, as amended, and the Federal Clean Air Act of 1990. Failure to provide this information may result in penalties and/or imprisonment.

Applicable Rule: 40 CFR Part 63, Subpart N--National Emission Standards for Chromium Emissions from Hard and Decorative Chromium Electroplating and Chromium Anodizing Tanks.

**NOTE:** All affected facilities should use this report to notify the Michigan Department of Environment, Great Lakes, and Energy at least 60 days in advance that a performance test will be conducted on a specific date.

**1. Plant Information**

Complete this section for each plant in which chromium electroplating and/or chromium anodizing operations are performed.

Owner/Operator Contact Name and Title: \_\_\_\_\_

Plant Name: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ ZIP Code: \_\_\_\_\_

Plant Contact Name and Title: \_\_\_\_\_

Plant Phone: \_\_\_\_\_

Plant Street Address (if different than above): \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ ZIP Code: \_\_\_\_\_

State Registration Number (SRN) if known: \_\_\_\_\_

## 2. Control Technique and Information

Complete this section. If additional space is needed, make copies of this page.

| Type of Control Technique | Control System ID # | ID # of Tank Ducted to Control System | Type of Tank | Date of Performance Test |
|---------------------------|---------------------|---------------------------------------|--------------|--------------------------|
|                           |                     |                                       |              |                          |
|                           |                     |                                       |              |                          |
|                           |                     |                                       |              |                          |
|                           |                     |                                       |              |                          |

Example Response:

| Type of Control Technique      | Control System ID # | ID # of Tank Ducted to Control System | Type of Tank                | Date of Performance Test |
|--------------------------------|---------------------|---------------------------------------|-----------------------------|--------------------------|
| Composite mesh-pad system      | 10                  | 1<br>2<br>3                           | Hard chrome plating for all | 5/15/2005                |
| Packed-bed scrubber            | 11                  | 4<br>5                                | Hard chrome plating for all | 5/18/2005                |
| Wetting agent fume suppressant | N/A                 | 6                                     | Chrome anodizing            | None required            |

## 3. Certification

I certify the information contained in this report to be accurate and true to the best of my knowledge.

Signature of "Responsible Official\*"

Date

Name of "Responsible Official\*": \_\_\_\_\_

Title of "Responsible Official\*": \_\_\_\_\_

\*A "Responsible Official" can be:

- The president, vice-president, secretary, or treasurer of the company who owns the facility.
- The owner of the facility.
- The facility engineer or supervisor.
- A government official if the plant is owned by the federal, state city or county government.
- A ranking military officer if the plant is located on a military base.
