In accordance with MCL§324.5404(3)(b) and 2000 Act 147, the above municipality hereby applies for a Small Community Planning Loan. Eligible project planning costs must be directly related to the proposed waterworks project and not incurred prior to June 17, 1997. Eligible planning costs include:

- Archaeological Surveys
- Environmental Audits of Project Sites (Phase 1)
- Hydrogeological Studies
- Project Plan Preparation and Submission
- Public Participation Activities
- Public Hearing Transcripts
- Reliability Studies
- Vulnerability Assessments

Amount of Small Community Planning Loan Requested \$ _____

Please attach copies of applicable Engineering Agreement(s) and invoices totaling the amount requested.

As the Authorized Representative of the applicant, I certify and/or agree to the following:

1. The proceeds of this loan will be applied to reimburse incurred planning costs related to the proposed project.
2. There are no outstanding fines or prior year fees as prescribed in 1976 Act 399 as amended.
3. The water supply system of the applicant has a population served of less than 10,000 people.
4. In the event the municipality qualifies and receives a grant as a disadvantaged community under MCL§324.5404(3)(c), the outstanding principal of this Small Community Planning Loan and accrued interest will be due and payable 30 days after receipt of such grant.
5. The term of the planning loan shall not exceed five years. The interest rate shall be the same as the DWRP for the year said planning loan is originated. Payments are due October 1 of each year for the life of the loan.

Signature of Authorized Representative (*Original Signature Required*) Date

Please submit this application with the specified Engineering Agreement(s) and invoices to:
