Disadvantaged Business Enterprises (DBE)

Prime contractors bidding on this project must follow, document, and maintain documentation of their Good Faith Efforts, as listed below, to ensure that Disadvantaged Business Enterprises (DBEs) have the opportunity to participate in the project by increasing DBE awareness of procurement efforts and outreach. Bidders must make the following Good Faith Efforts for any work that will be subcontracted.

1. Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities; including placing DBEs on solicitation lists and soliciting DBEs whenever they are potential sources.
2. Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitation for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could be subcontracted with DBEs. This will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when a contract is too large for one DBE firm to handle individually.
5. Use the services and assistance of the Small Business Administration and the Minority Business Development Agency of the U.S. Department of Commerce.

Subsequent to compliance with the Good Faith Efforts, the following conditions also apply under the DBE requirements. (Note: Completed item Nos. 2 and 3 must be submitted with your bid proposal.)

1. The prime contractor must provide ***EPA Form 6100-2 DBE Program Subcontractor Participation Form*** (Attachment Number 1) to all of its DBE subcontractors. DBE subcontractors may send completed Form 6100-2 directly to the Region 5 DBE Coordinator listed below:

Region 5 MBE/WBE Coordinator
USEPA, Acquisition and Assistance Branch
77 West Jackson Boulevard (MC-10J)
Chicago, Illinois 60604
2. The prime contractor must have each of its DBE subcontractors complete ***EPA Form 6100-3 - DBE Program Subcontractor Performance Form*** (Attachment Number 2). The prime contractor must also include all completed forms with its **bid or proposal**

- proposal package** to the owner.
3. The prime contractor must complete and submit ***EPA 6100-4 DBE Program Subcontractor Utilization Form*** (Attachment Number 3) with its **bid or proposal package** to the owner.
 4. The prime contractor must pay its subcontractor for satisfactory performance no more than 30 days from the prime contractor's receipt of payment from the owner.
 5. The prime contractor must notify the owner in writing prior to the termination of any DBE subcontractor for convenience by the prime contractor.
 6. If a DBE contractor fails to complete work under the subcontract for any reason, the prime contractor must employ the Good Faith Efforts if soliciting a replacement contractor.
 7. The prime contractor must employ the Good Faith Efforts even if the fair share objectives have been achieved.

Debarment Certification
