## 2012 Certification and Training Calendar (Chronological Order)

### Drinking Water Operator Training Courses and Activities Operator Training and Certification Unit

<u>Activity Name</u>		<u>Registration Fee</u>	<u>Registration Deadline</u>
Basic Chemistry January 2013 Several statewide locations		Varies with Location	To register, contact: OTCU @ 517-241-7199
Applied Hydraulics January 2014 Several statewide locations		Varies with Location	To register, contact: OTCU @ 517-241-7199

The Operation Training and Certification Unit program staff is in the development stage of creating additional technical courses for small system training and refresher training in core subject areas. The primary instructors for this training will be DEQ staff. The most recent training calendar is always available for download at:

<http://www.michigan.gov/deqoperatortraining> and is located under the “Drinking Water” heading by clicking on the link “Training Courses and Continuing Education Credit Information.”
