

Ecosystems & Biodiversity Unit Development Team

Ecosystems & Biodiversity Unit Development Coordinator/Writer

Pamela Schmidt, Science Education Specialist
Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Curriculum Development Coordinators:

Ecosystems & Biodiversity, Energy Resources and Water Quality Units

Shawn Oppliger, Director
Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Joan Schumaker-Chadde, Education Program Coordinator
Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Ecosystems & Biodiversity Unit Development Team Members

Dr. Nancy Auer
Department of Biological Sciences, Michigan Technological University

Dale K. Elshoff, Instructor and Project WILD Coordinator
Michigan State University

Susan Erhardt, Education Coordinator
The Greening of Detroit

Dr. David Flaspohler
School of Forest Resources and Environmental Sciences, Michigan Technological University

Dave Kronk, Education and Outreach Coordinator
Pictured Rocks National Lakeshore, Munising

Kathy Makela, Teacher (Grades 4-6), Wakefield Public Schools

Kristan Small, Teacher (Grade 4), Gunnison Public Schools, Lansing

Helen Stenvig, Teacher (Grade 6), L'Anse Middle School

Dr. Kathy Winnett-Murray
Department of Biological Sciences, Hope College, Holland, Michigan

TechAlive Online Interactive Web Modules Development Team

Module Development Coordinator

Dr. Marty Auer
Department of Civil and Environmental Engineering
Michigan Technological University

Webmaster and Animator

Dr. Sue Hill, TechAlive Initiative
Michigan Technological University

Project Coordinators

Joan Schumaker-Chadde, Education Program Curriculum Coordinator
Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Shawn Oppliger, Director
Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Faculty Advisors

Dr. Nancy Auer
Department of Biological Sciences, Michigan Technological University
Ecosystems: *River and Stream Ecosystems*
Ecosystems: *The Great Lakes Ecosystem*
Ecosystems: *Coastal Dune Ecosystem*

Dr. David Flaspohler
School of Forest Resources and Environmental Science, Michigan Technological University
Ecosystems: *Wetland Ecosystems*
Ecosystems: *Forest Ecosystems*
Ecosystems: *Schoolyard and Urban Ecosystems*

Student Authors

Ecosystems: *River and Stream Ecosystems*
Justin Chiotti, Department of Biological Sciences, Michigan Technological University

Ecosystems: *The Great Lakes Ecosystem*
Ed Verhamme, Department of Civil and Environmental Engineering, Michigan Technological University

Ecosystems: *Wetland Ecosystems*
Josh Shields, School of Forest Resources and Environmental Science
Amber Buhl, Department of Civil and Environmental Engineering, Michigan Technological University

Ecosystems: *Schoolyard and Urban Ecosystems*
Josh Shields, School of Forest Resources and Environmental Science
Katrina Finn, Department of Civil and Environmental Engineering, Michigan Technological University

Ecosystems: *Forest Ecosystems*
Josh Shields, School of Forest Resources and Environmental Science, Michigan Technological University

Ecosystems: *Coastal Dune Ecosystem*
Randy Gardner, Department of Civil and Environmental Engineering, Michigan Technological University

The development of this unit has involved the dedication and commitment of many individuals and organizations. The Western Upper Peninsula Center for Science, Mathematics and Environmental Education would like to acknowledge the time, expertise, and resources provided by the following individuals and groups.

Special thanks to the following for their contributions or resources and materials:

Angela Archer, Web Specialist
Illinois-Indiana Sea Grant

Tom Auer, Student
University of Minnesota-Duluth

Ron Austing, Photographer

Marjane Baker, Teacher Consultant
Michigan Geographic Alliance

Chuck Barger, Technology Coordinator and Webmaster
Forestryimages.org
The University of Georgia

Debbie Beyer, Basin Educator for Natural Resources
University of Wisconsin Extension

Kristine Bradhof, Community Programs Coordinator
GEM Center for Science and Environmental Outreach
Michigan Technological University

Kelly Siciliano Carter, Information and Education Coordinator
Wildlife Division, Michigan Department of Natural Resources

Claire Cassel, Chief
Division of Partnerships and Outreach
Endangered Species Program, U.S. Fish and Wildlife Service

Duane Chapman, Fisheries Biologist
USGS Columbia Environmental Research Center

Dave Dempsey, Policy Advisor
Michigan Environmental Council
Lansing, Michigan

Bill Cook, Forester/Biologist
Michigan State University

Dr. David Evers, Executive Director
Biodiversity Research Institute, Gorham, Maine

Michael Fashoway and Helen Enander
Michigan Natural Features Inventory

Karen Galles, Program Assistant
Judy Braus, Director of Education
World Wildlife Fund

Tim Grant, Editor
Green Teacher Magazine

Polly Gray, Wildlife Division
Michigan Department of Natural Resources

Terri Hallesy, Communications Assistant
Illinois-Indiana Sea Grant College Program
University of Illinois

Mark Harvey, State Archivist
State of Michigan Archives

Dr. Mark Jenness, Director, SAMPI
Western Michigan University

Brigette Johnson, Director of Communications
American Forest Foundation

Colleen Masterson, Education Director
Inland Seas Education Association
Suttons Bay, Michigan

Michelle Miller, Student, Department of Education
Michigan Technological University ('04)

Elizabeth Rieben, Education Specialist
U.S. Bureau of Land Management

Laura Quackenbush, Curator
Leelanau Historical Museum

Loret Roberts, Administrative Assistant
Western U.P. Center for Science, Mathematics and
Environmental Education

Jill Ryan, Director
Great Lakes Aquatic Habitat Network and Fund

Gareth Thompson, Education Director
Kim Kiel, School Programs Coordinator
Canadian Parks and Wilderness Society
Calgary/Banff Region

Gijsbert Van Frankenhuyzen (Illustrator) and Robbyn Smith
Bath, Michigan

Randyll Warehime, Teacher
Iolani School, Honolulu

Larry West, Photographer

Kim Williams, Executive Director
Organization for Bat Conservation at Cranbrook
Institute for Science

Steven E. Wilson, Minerals and Mapping Unit Supervisor
Geological and Land Management Division
Michigan Department of Environmental Quality

Lori Wyman, Communications Projects Coordinator
Organic Trade Association

Department of Zoology, National Museum of Natural
History and Public Inquiry Mail Service
Smithsonian Institution

Special thanks to the following for reviewing portions of the unit:

Marci Birkes, Education Coordinator
Little Traverse Conservancy, Harbor Springs, MI

Lynne Dominguez
Department of Education, Central Michigan University
Michigan Environmental Education Advancement Consortium

Lois Jambekar, Teacher
Houghton Elementary School, Houghton, MI

Elizabeth LaPorte
Michigan Sea Grant College, Great Lakes Sea Grant Network
Ann Arbor, MI

Jim Mohr
Michigan Environmental Education Advancement Consortium
Ann Arbor, MI

Karen Galles, Program Assistant
World Wildlife Fund

Emily Finnell, Environmental Quality Analyst
Office of the Great Lakes, Michigan Department of
Environmental Quality

Thanks to the following for serving as field reviewers:

Deanne Bednar and Dr. Debra Rowe
Upland Hills Ecological Awareness Center

Wendy Cheek, Coordinator
Michigan Leopold Education Project

John Clark and Bruce Patterson
Central Michigan-Science Math Technology Center

Gretchen Connors (Sandusky Middle School)
Susan Dougherty-Fitzpatrick
(Croswell-Lexington; Frostick Elementary)
Rebecca Johsephson-Gorinac (Sanilac ISD)
Sanilac Intermediate School District/Sanilac County
Science and Math Center

Cheryl Hach and John Goudie
Kalamazoo Area Mathematics and Science Center

Laura Otten
West Michigan Academy of Environmental Science

John Perrecone
US EPA, Region 5, Office of Science, Ecosystems and
Communities

John Pilon
Michigan Department of Natural Resources–Forest,
Mineral, and Fire Management Division

Lou Pocalujka, Senior Environmental Analyst
A. Kent Evans, Environmental Analyst
Saudia Santure, Education Program Manager and Plant
Public Affairs Director
Tom St. Bernard, Environmental Lead,
Whiting Generation Facility
Consumers Energy Company

Dr. Debra Rowe
Oakland Community College

Organization & Agency Focus Groups – 2004

Kevin Richard, Michigan Department of Education
Mike Johnston, Michigan Manufacturers Association
Linda Humphreys, Earth Force
Douglas Finley, Michigan Department of Natural Resources
Tom Green, Bolles Harbor Mathematics and Science Center
Monroe Public Schools
Jason Dinsmore, Michigan United Conservation Clubs
Jeanne Lipe, Michigan Department of Agriculture
Andy Such, Michigan Chemistry Council
Lynn Dominguez, Michigan Alliance for Environmental
and Outdoor Education

Educator Focus Groups – 2004

Carolyn Wetzler, Symans Elementary School
Al Lewandowski, Port Huron Northern High School
Sharon Goralewski, Oakland Public Schools
Marjane Baker, Tonda Elementary School
Lon VanBronkhorst, Grand Rapids Public Schools
Karen R. Todorov, Michigan Department of Education
Kathy Dewsbury-White, Ingham ISD
John Clark, Ithaca Public Schools
Carol McCaul, Shepherd Public Schools
Bruce Patterson, Harrison Community Schools
Tom Wessels, Traverse Bay Area ISD
David Bydlowski, Wayne RESA
Becky Goche, U.S. Fish and Wildlife Service

Ecosystems & Biodiversity Field Test Teachers

Rebecca Adams
Reed City Upper Elementary
Reed City, MI
Grade 5

Kristin Anderson
Stanwood Elementary
Stanwood, MI
Grade 4

Deborah Antrobus
Memorial Elementary
Garden City, MI
Grade 5

Kristin Barr
Leslie Middle School
Leslie, MI
Grade 5

Stacey Beach
Burt Elementary
Waterford, MI
Grade 4

Lisa Bedard
Nah-Tah-Wahsh PSA
Hannahville, MI
Grade 4

Kathey Bommarito
Avondale Meadows
Avondale, MI
Grade 6

Cindy Buckel
Springview Elementary
Flushing, MI

Gloria Cangelosi
Shawmut Hills
Grand Rapids, MI
Grade 5

Kathy Crosthwaite
Mendon Elementary
Mendon, MI
Grade 5

Rochelle Eichbauer
