- MARCH 27-28, 2012** | **THE ENGINEERING SOCIETY OF DETROIT (ESD) MICHIGAN WASTE INDUSTRIES ASSOCIATION (MWIA) 22ND ANNUAL SOLID WASTE TECHNICAL CONFERENCE.** The conference is scheduled for Wednesday, March 28, 2012 from 8:00 am to 5:00 pm at Michigan State University's Kellogg Hotel & Conference Center in East Lansing, Michigan. A training day is scheduled for Tuesday, March 27, 2012. The conference will feature expert speakers and an important list of relevant topics, including the future of the solid waste industry in the U.S., solid waste policy issues, regulatory updates, and new technologies. Industry professionals are invited to network about the latest technology and regulatory information; find out from industry leaders about emerging technologies and regulatory changes impacting the solid waste industry; learn from presentation and case studies on solid waste management issues; and gain information from presentations addressing current issues and changes impacting the waste industry. Speakers include Duane Roskeskey and Margie Ring, from the Resource Management Division Solid Waste Section, and Rex Lane, from the Air Quality Division. For more information regarding cost or to register, please visit www.esd.org and click on the conference under "Upcoming Events." For general information, please contact, **Margie Ring** at ringm@michigan.gov.
- MARCH 28, 2012** | **MICHIGAN WATERSHED SUMMIT, EAGLE EYE BANQUET FACILITY, EAST LANSING, MICHIGAN.** The purpose of this summit, hosted by the Michigan Water Environment Association partnering with DEQ, include: bring together as many of Michigan's watershed groups as possible; provide an opportunity for speakers from other organizations to share information and updates; give these groups a chance to interact with and learn from each other; and, facilitate discussion on current status, concerns and outlooks regarding Michigan's water environment. For questions, please contact **Jerry Harte**, MWEA at jerry@mi-wea.org. More information and online registration is available at <http://www.mi-wea.org/>.
- 2012 PTI SERIES** | **AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN.** For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Registration fee is \$35 and includes workshop materials. Updated workshop information and registration is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops".
