The purpose of the Certification is to assure that the proposed construction activities and discharge of dewatering effluent to the St. Marys River and Munuscong Bay of Lake Huron from the Moon Island project located near the southern tip of Neebish Island, Chippewa County, will comply with Michigan's Water Quality Standards. Copies of the USACE's Environmental Assessment for the project are available at <http://www.michigan.gov/deqwater> or by contacting Jennifer Van Port Fleet at VanportfleetJ@michigan.gov or 517-284-5531. Written comments must be submitted by 5:00 p.m. on June 4, 2014, to Chris Antieau at antieauc@michigan.gov or Michigan Department of Environmental Quality, Water Resources Division, P.O. Box 30458, Lansing, Michigan 48909-7958. Information Contact: **Chris Antieau**, Water Resources Division, 517-290-5732, antieauc@michigan.gov.
