Permit Decisions Before the Office of the Director

**AIR QUALITY
DIVISION
See Map - ❶**

EES COKE BATTERY, LLC, RIVER ROUGE, WAYNE COUNTY, on a proposed draft Permit for a proposed modification to and continued operation of their existing coke oven battery. The facility is located at 1400 Zug Island, River Rouge, Michigan. Additionally, the proposed modification to and continued operation of their existing coke oven battery will require revisions to Renewable Operating Permit (ROP) No. 199600132d. This public comment period meets the public participation requirements for a future administrative amendment to the ROP. The responsible official for the source is Ronald Burnette, 1400 Zug Island, River Rouge, Michigan. New Source Review and ROP public notice documents can be viewed at www.deq.state.mi.us/aps. Written comments will be taken through November 12, 2014. A public hearing will be held on November 12, 2014, in the Council Chambers at the City of River Rouge, 10600 West Jefferson, River Rouge, Michigan. Prior to the hearing, an informational session will be held from 6:00 p.m. to 7:00 p.m., where the Air Quality Division staff will be available to answer questions; the public hearing will immediately follow. Written comments should be sent to Mark Mitchell, Acting Permit Section Supervisor, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909. All statements received by November 12, 2014, will be considered by the decision-maker prior to final action. Information Contact: **Julie Brunner**, Air Quality Division, brunnerj1@michigan.gov or 517-284-6789. Decision-maker: **Lynn Fiedler**, Acting Air Quality Division Chief.

PROPOSED WETLAND MITIGATION BANK IN LENOX TOWNSHIP, MACOMB COUNTY. The Water Resources Division has received a proposal for a wetland mitigation bank in Town 4N, Range 14E, Section 19, Lenox Township, Macomb County. The administrative rules for wetland mitigation banking allow for the use of credits from established mitigation banks to fulfill permit requirements associated with wetland permits. The bank sponsor proposes to restore approximately 40.21 acres of forested wetland, 2.42 acres of scrub-shrub wetland and 3.92 acres of emergent wetland in the Clinton River Watershed. Written comments must be submitted to Michael Pennington, Water Resources Division, P.O. Box 30458, Lansing, Michigan 48909-7958, by November 10, 2014. Information Contact: **Michael Pennington**, Water Resources Division, 517-284-5539 or penningtonm@michigan.gov. Decision maker: **Water Resources Division Chief**.

REQUEST FOR WATER QUALITY MONITORING RECOMMENDATIONS, STATEWIDE. The Water Resources Division is soliciting water quality monitoring recommendations for fiscal year 2015 to support implementation of the watershed-specific component of its Strategic Environmental Quality Monitoring Program for Michigan's Surface Waters. Additional background, details, and instructions, along with the Water Quality Monitoring Request form, are available online at http://www.michigan.gov/deq/0,4561,7-135-3313_3686_3728-12735--,00.html. The form may be completed electronically and then submitted as an email attachment to DEQ-WRD-TMR@michigan.gov by November 21, 2014. A separate form should be submitted for each monitoring recommendation. Information Contacts: Tom Alwin, 517-284-5551, or Jeff Varricchione, 517-284-5557; or WRD-TMR@michigan.gov.

**WATER
RESOURCES
DIVISION**

PUBLIC COMMENT PERIOD AND WEBINAR REGARDING THE DRAFT MULTIPLE DISCHARGER VARIANCE FOR MERCURY. The Water Resource Division is announcing the availability of the draft Multiple Discharger Variance for Mercury (Variance) for comment. Previous versions of the Variance were developed by the Michigan Department of Environmental Quality (MDEQ), Water Resource Division, in February 2000 with updates in May 2004 and December 2009. These documents established a multiple discharger variance for mercury and outlined an approach for implementing the United States Environmental Protection Agency (USEPA) analytical Method 1631 in existing National Pollutant Discharge Elimination System (NPDES) permits without causing widespread noncompliance with permit limits. The MDEQ is seeking approval from the USEPA for a multiple discharger variance for mercury for Fiscal Years 2015-2019. A webinar will be held November 10, 2014, from 10:00 a.m. to 11:00 a.m. to provide an overview on the current Variance and highlight changes and additions from the previous versions. Attendees can register for the webinar by clicking on DEQ Webinars at www.michigan.gov/deqworkshops. Comments on the draft Variance may be submitted to Amanda Bosak, Department of Environmental Quality, Water Resources Division, P.O. Box 30458, Lansing, Michigan 48909-7958, by December 3, 2014. Copies of the draft Variance are available from Sue Ashcraft at 517-284-5568 or AshcraftS@michigan.gov, or on the web at http://www.michigan.gov/deq/0,4561,7-135-3313_3682_3713-96752--,00.html. Variance information contact: **Amanda Bosak**, Water Resource Division, 517-284-5583 or BosakA@michigan.gov.

Public Hearings and Meetings

Note: Persons with disabilities needing accommodations for effective participation in any of the meetings noted in this Calendar should call or write the appropriate meeting information contact listed below at least a week in advance to request mobility, visual, hearing, or other assistance.

6:00 p.m.**

PUBLIC HEARING ON PERMIT APPLICATION SUBMITTED BY GARY AND TERESA COYLE, GLORIA STEEL LIVING TRUST, P.O. BOX 2536, CASHIERS, NORTH CAROLINA 28717, MDEQ FILE NUMBER 14-45-0036-P. The Water Resources Division will hold a public hearing on Monday, November 3, 2014, at 6:00 p.m., at the Leelanau County Government Center, lower level conference room, 8527 East Government Center Drive, Suttons Bay, Michigan 49782. The applicant proposes to excavate a 24-foot long by approximately 12-foot wide by 4-foot deep boatwell in upland; install approximately 57 feet of 12-inch wide concrete retaining wall within the boatwell; dredge approximately 37 cubic yards of material from an area 20 feet long by 10 to 15 feet wide by 4 feet deep waterward of the shoreline into the Leland River; construct a 24-foot long by 18-foot wide boathouse over the boatwell; and construct a permanent 11-foot long by 8-foot wide and a 16-foot long by 8-foot wide L-shaped, open-pile dock in the Leland River. All work is proposed for 103 West Thompson Street, Leland, Michigan. The project is located in T30N, R12W, Section 9, Leland Township, Leelanau County, Michigan. Information Contact: **Robyn Schmidt** Water Resources Division, (231) 876-4444; or schmidtr1@michigan.gov.

NOVEMBER 5, 2014

DEADLINE FOR PUBLIC COMMENTS REGARDING, TIARA YACHTS DIVISION OF S2 YACHTS, HOLLAND, ALLEGAN COUNTY (SRN: B6619), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of equipment to manufacture large boats and other fiberglass reinforced plastic components. The permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.deq.state.mi.us/aps. The responsible official of the stationary source is Robert Slikkers, President, 725 East Fortieth Street, Holland, Michigan 49423-5392. Written comments on the draft ROP or a request to hold a public hearing are to be submitted to Dennis Dunlap, Michigan Department of Environmental Quality, Air Quality Division, Kalamazoo District Office, 7953 Adobe Road, Kalamazoo, Michigan 49009-5025, or via e-mail to dunlapd@michigan.gov by November 5, 2014. The decision-maker for the permit is Mary Douglas, Kalamazoo District Supervisor. If requested in writing by November 5, 2014, a public hearing may be scheduled. Information Contact: **Dennis Dunlap**, Air Quality Division, dunlapd@michigan.gov or 269-567-3553.

NOVEMBER 5, 2014

DEADLINE FOR PUBLIC COMMENTS REGARDING DTE BIOMASS ENERGY & CITY OF RIVERVIEW, RIVERVIEW, WAYNE COUNTY (SRN: M4469), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of a Type II Landfill. The permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.deq.state.mi.us/aps. The responsible official of the stationary source is Gary Quantock, 425 South Main Street, Suite 201, Ann Arbor, Michigan 48104; and Douglas Drysdale, 14100 Civic Park Drive, Eiverview, Michigan 48193. Written comments on the draft ROP or a request to hold a public hearing are to be submitted to Gina McCann, Michigan Department of Environmental Quality, Air Quality Division, Saginaw Bay District Office, 401 Ketchum Street, Suite B, Bay City, Michigan 48706, or via e-mail to mccann2@michigan.gov by November 5, 2014. The decision-maker for the permit is Wilhemina McLemore, Detroit District Supervisor. If requested in writing by November 5, 2014, a public hearing may be scheduled. Information Contact: **Gina McCann**, Air Quality Division, mccann2@michigan.gov or 989-894-6218.

**NOVEMBER 6, 2014
1:00 p.m.**

PUBLIC MEETING OF THE RESTORATION ADVISORY BOARD FOR THE FORMER K.I. SAWYER AIR FORCE BASE, GWINN, MARQUETTE COUNTY. The annual meeting of the citizen's advisory group providing review of cleanup activities at the former air base. In addition to normal business, the Air Force will be presenting information to support their No Further Action Request for six sites at which land use restrictions on soil, groundwater, or both are necessary, as well as post-closure monitoring, inspections and remediation system operation. The public meeting

will be held at the Black Bear Grill, located on the former air base at 301 Avenue A, Gwinn, MI. Information Contact: **Mark Petrie**, Remediation and Redevelopment Division, e-mail address: petriem@michigan.gov; 906-228-4521.

NOVEMBER 6, 2014
1:00 p.m.

TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING GERDAU MACSTEEL, INC., MONROE, MONROE COUNTY, for the proposed draft permit for the proposed modifications to existing Permit to Install No. 102-12 which included changes to the electric arc furnace and for the installation and operation of new equipment including: ladle metallurgy station, new twin tank vacuum degassers, a new continuous caster, a new slidegate heater, a new cooling tower, and a new walking beam billet reheat furnace. The modifications proposed in Permit to Install application number 102-12A include changes to the proposed control devices and a decrease in the annual melt rate limit. The facility is located at 3000 East Front Street, Monroe, Michigan. Additionally, the installation and operation of modifications to existing Permit to Install No. 102-12 which included changes to the electric arc furnace and for the installation and operation of new equipment including: ladle metallurgy station, new twin tank vacuum degassers, a new continuous caster, a new slidegate heater, a new cooling tower, and a new walking beam billet reheat furnace. The modifications proposed in Permit to Install application number 102-12A include changes to the proposed control devices and a decrease in the annual melt rate limit will require revisions to Renewable Operating Permit (ROP) No. MI ROP B7061-2009. This public comment period meets the public participation requirements for a future administrative amendment to the ROP. The responsible official for the source is Bruce L. Black, 3000 East Front Street, Monroe, Michigan. New Source Review and ROP public notice documents can be viewed at www.deq.state.mi.us/aps. If a public hearing is requested in writing by October 24, 2014, a public hearing will be held November 6, 2014, in the William Ford Conference Room, located at Constitution Hall, 525 West Allegan Street, Lansing, Michigan. The public hearing will begin at 1:00 p.m. Those interested may contact the Air Quality Division at 517-284-6803 on October 27, 2014, to determine if a hearing was requested and will be held. Information Contact: **Annette Switzer**, Air Quality Division, switzera2@michigan.gov or 517-284-6803.

NOVEMBER 7, 2014

PUBLIC NOTICE OF PENDING CLEAN WATER ACT SECTION 401 CERTIFICATION The Michigan Department of Environmental Quality is proposing to issue a Water Quality Certification under Section 401 of the federal Clean Water Act to the United States Army Corps of Engineers (USACE). The USACE intends to conduct dredging operations in the federal navigation channel in Grand Haven Harbor (Grand River), Ferrysburg, Michigan, as part of an ongoing navigational maintenance project. The purpose of the Certification is to assure that the proposed dredging and discharge of dewatering effluent to the Grand River from the Verplank Dock Co. property located in Section 17, Spring Lake Township, Ottawa County, will comply with Michigan's Water Quality Standards. Copies of the draft Section 401 Certification are available at <http://www.michigan.gov/degwater> or by contacting Denise Page at Paged@michigan.gov or 517-284-5523. Written comments on the draft Certification must be submitted by 5:00 p.m. on November 7, 2014, to Sam Noffke at Noffkes@michigan.gov or Michigan Department of Environmental Quality, Water Resources Division, P.O. Box 30458, Lansing, Michigan, 48909-7958. **Information Contact:** Sam Noffke, Water Resources Division, at Noffkes@michigan.gov or 517-284-5554.

2014**

DEADLINE FOR PUBLIC COMMENT REGARDING INTERTAPE POLYMER GROUP, MARYSVILLE, SAINT CLAIR COUNTY (SRN: A6220), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of pressure sensitive adhesive tape manufacturing operations which includes three Web coating lines controlled by a carbon adsorption solvent recovery unit and a regenerative thermal oxidizer, and an adhesive manufacturing process. The permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.deq.state.mi.us/aps. The responsible official of the stationary source is Eric Woolums, Operations Manager, 317 Kendall Avenue, Marysville, Michigan 48040. Written comments on the draft ROP or a request to hold a public hearing are to be submitted to Sebastian Kallumkal, Michigan Department of Environmental Quality, Air Quality Division, Southeast Michigan District Office, 27700 Donald Court, Warren, Michigan 48092, or via e-mail to kallumkals@michigan.gov by November 19, 2014. The decision-maker for the permit is Christopher Ethridge, Southeast Michigan District Supervisor. If requested in writing by November 19, 2014, a public hearing may be scheduled. Information Contact: **Sebastian Kallumkal**, Air Quality Division, kallumkals@michigan.gov or 586-753-3738.

NOVEMBER 19,
2014

DEADLINE FOR PUBLIC COMMENTS REGARDING CENTRAL MICHIGAN UNIVERSITY, MOUNT PLEASANT, ISABELLA COUNTY (SRN: K2460), for the draft renewal of a Renewable Operating Permit (ROP) for the operation of a power plant supplying steam for heat and having the potential to produce electricity for the school. A paint booth, printing operations, and emergency generators are examples of other activities on site. The permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.deq.state.mi.us/aps. The responsible official of the stationary source is Steve Lawrence, 1720 South East Campus Drive, Mount Pleasant, Michigan 48859. Written comments on the draft ROP, or a request to hold a public hearing, are to be submitted to Ben Witkopp, Michigan Department of Environmental Quality, Air Quality Division, Saginaw Bay District Office, 401 Ketchum Street, Suite B, Bay City, Michigan 48708, or via e-mail to witkoppb@michigan.gov by November 19, 2014. The decision maker for the permit is Chris Hare, Saginaw Bay District Supervisor. If requested in writing by November 19, 2014, a public hearing may be scheduled. Information Contact: **Ben Witkopp**, Air Quality Division, witkoppb@michigan.gov or 989-894-6219.

NOVEMBER 19,
2014

DEADLINE FOR PUBLIC COMMENTS REGARDING BARBER STEEL FOUNDRY CORPORATION, ROTHBURY, OCEANA COUNTY (SRN: B1961). Written comments are being accepted on a proposed consent order to administratively resolve alleged air pollution violations. NOVEMBER 20,
2014
7:00 p.m.

PUBLIC HEARING ON PERMIT APPLICATION SUBMITTED BY DUNE RIDGE SA LP, 231 FULTON STREET, GRAND RAPIDS, MICHIGAN 49503, MDEQ FILE NUMBER 14-03-0032-P. The Water Resources Division will hold a public hearing on Thursday, November 20, 2014, at 7:00 p.m., with an informal question and answer session starting at 6:30 p.m. The applicant proposes to construct 300 feet of new steel sheet pile seawall, and place approximately 550 cubic yards of fill material in an area measuring 217 feet long by 25 feet wide by 4 feet deep (5,425 square feet), as backfill for the wall and for a parking area. Approximately 141 cubic yards of the fill will be placed below the Ordinary High Water Mark (580.5 International Great Lakes Datum 1985). Approximately 653 square feet of wetland will be filled with 70 cubic yards of material dredge, by mechanical means, approximately 3,600 cubic yards of material from an area measuring 235 feet wide by 85

feet wide by 11.5 feet deep area (19,975 square feet) riverward of the wall to provide adequate depth for the marina. Approximately 209 cubic yards of material will be dredged from 565 square feet of wetland. Install six open pile piers with the following dimensions: one 35 feet long by 5 feet wide; one 35 feet long by 9.5 feet wide, which supports a covered boathouse 20 feet wide by 35 feet long; two 35 feet long by 8.5 feet wide supporting a covered boathouse 49 feet wide by 35 feet long; one 40 feet long by 5 feet wide dock; and one 56.7 feet long by 8 feet wide dock with 10 interlocking personal watercraft docks measuring 14 feet long by 5 feet wide, attached to the south side. The 20-foot wide by 35-foot long boathouse will have timber-framed construction with structural steel where necessary. The walls of the boathouse will be constructed of wood framing with plywood walls covered with wood siding. The boathouse will also have a wooden garage type door on the waterward side of the slip. The second covered slip area measuring 49 feet wide by 35 feet long will have a roof constructed of timber frame with structural steel where necessary. The seasonal walls will be canvas. Install a total of eight spring piles, two between each dock. Overall, the marina will provide docking for nine boats and ten personal watercraft. The purpose of the proposed work is to provide a private marina for home owners in a new development. The project is located in T3N, R16W, Section 9, City of Saugatuck, Allegan County, Michigan. Information Contact: **Mark Schieber**, Water Resources Division, (269) 567-3625; or schieberm@michigan.gov.

DECEMBER 1, 2014

The decision-maker for the permit is Christopher Ethridge, Southeast Michigan District Supervisor. If requested in writing by December 3, 2014, a public hearing may be scheduled. Information Contact: **Samuel Liveson**, Air Quality Division, livesons1@michigan.gov or 586-753-3749.
- DECEMBER 3, 2014** | **DEADLINE FOR PUBLIC COMMENTS REGARDING ABLE DEMOLITION, INC., SHELBY TOWNSHIP, MACOMB COUNTY**. Written comments are being accepted on a proposed consent order to administratively resolve alleged air pollution violations. You may obtain electronic copies of the proposed consent order and Staff Activity Report at www.deq.state.mi.us/aps/downloads/Enforcement/AQD-Consent-Orders.shtml. Submit written comments to Rachel McLeod, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909. Written comments will be accepted by e-mail and all statements must be received by December 3, 2014 to be considered by the decision-maker prior to final action. If a request is received in writing by December 3, 2014, a public hearing may be scheduled. Decision-maker: **Lynn Fiedler**, Air Quality Division Acting Chief. Information Contact: **Rachel McLeod**, Air Quality Division, mcleodr1@michigan.gov or 517-284-6770.
- DECEMBER 5, 2014** | **DEADLINE FOR PUBLIC COMMENT REGARDING A NOTICE OF ORPHAN WELL DETERMINATION**. The Office of Oil, Gas, and Minerals (OOGM) has issued a Notice of Orphan Well Determination for a well known as the Reis 1, Permit Number 20906, located in Section 12 of **TAYMOTH TOWNSHIP** in **SAGINAW COUNTY**. Any owners, operators, persons with working interest or persons with standing may contest the Notice of Orphan Well Determination by submitting a petition for a hearing to show cause in accordance with Administrative Rule 324.1202 promulgated under Part 615, Supervisor of Wells, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Petitions for Hearing may be submitted to **Ms. Susan Maul**, OOGM, P.O. Box 30256, Lansing, Michigan 48909-7756, or via e-mail to mauls@michigan.gov by December 5, 2014. Information Contact: **Mr. Joe Pettit**, OOGM, pettitj@michigan.gov, or 517-284-6837.
- DECEMBER 5, 2014** | **DEADLINE FOR PUBLIC COMMENT REGARDING A NOTICE OF ORPHAN WELL DETERMINATION**. The Office of Oil, Gas, and Minerals (OOGM) has issued a Notice of Orphan Well Determination for a well known as the George Judd 1 located in Section 11 of **TAYMOTH TOWNSHIP** in **SAGINAW COUNTY**. Any owners, operators, persons with working interest or persons with standing may contest the Notice of Orphan Well Determination by submitting a petition for a hearing to show cause in accordance with Administrative Rule 324.1202 promulgated under Part 615, Supervisor of Wells, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Petitions for Hearing may be submitted to **Ms. Susan Maul**, OOGM, P.O. Box 30256, Lansing, Michigan 48909-7756, or via e-mail to mauls@michigan.gov by December 5, 2014. Information Contact: **Mr. Joe Pettit**, OOGM, pettitj@michigan.gov, or 517-284-6837.
- DECEMBER 5, 2014** | **DEADLINE FOR PUBLIC COMMENT REGARDING A NOTICE OF ORPHAN WELL DETERMINATION**. The Office of Oil, Gas, and Minerals (OOGM) has issued a Notice of Orphan Well Determination for a well known as the Berg 1, Permit Number 1983, located in Section 26 of **BIRCH RUN TOWNSHIP** in **SAGINAW COUNTY**. Any owners, operators, persons with working interest or persons with standing may contest the Notice of Orphan Well Determination by submitting a petition for a hearing to show cause in accordance with Administrative Rule 324.1202 promulgated under Part 615, Supervisor of Wells, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Petitions for Hearing may be submitted to **Ms. Susan Maul**, OOGM, P.O. Box 30256, Lansing, Michigan 48909-7756, or via e-mail to mauls@michigan.gov by December 5, 2014. Information Contact: **Mr. Joe Pettit**, OOGM, pettitj@michigan.gov, or 517-284-6837.

DECEMBER 5, 2014

DEADLINE FOR PUBLIC COMMENT REGARDING A NOTICE OF ORPHAN WELL

DETERMINATION. The Office of Oil, Gas, and Minerals (OOGM) has issued a Notice of Orphan Well Determination for a well known as the Wilbert 2, Permit Number 21979, located in Section 30 of **RIVERSIDE TOWNSHIP** in **MISSAUKEE COUNTY**. Any owners, operators, persons with working interest or persons with standing may contest the Notice of Orphan Well Determination by submitting a petition for a hearing to show cause in accordance with Administrative Rule 324.1202 promulgated under Part 615, Supervisor of Wells, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Petitions for Hearing may be submitted to **Ms. Susan Maul**, OOGM, P.O. Box 30256, Lansing, Michigan 48909-7756, or via e-mail to mauls@michigan.gov by December 5, 2014. Information Contact: **Mr. Joe Pettit**, OOGM, pettiti@michigan.gov, or 517-284-6837.

DECEMBER 15, 2014

DEADLINE FOR PUBLIC COMMENT ON A PROPOSED NO FURTHER ACTION REPORT FOR THE FORMER HOWARD WAREHOUSE-VACANT LAND.

Written comments are being accepted on the No Further Action Report that was received on October 24, 2014. The site has been remediated to prevent the public's exposure to contamination and mitigate risk to public health, safety, welfare, and the environment per Part 201, Environmental Remediation, of Michigan's Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. The 3.8 acre site is a former General Motors Company Warehouse that is currently vacant with grassy cover and some trees along the southeastern site boundary. The site is bordered by railroad tracks to the south, vacated Owen Street to the west, Garey Street to the north, and Brown Street to the east. The warehouse building was demolished in 1988. The site was investigated for volatile organic compounds, polychlorinated biphenyls (PCBs), and metals. The site has been remediated to remove lead impacted soils. The public comment period will start on November 16, 2014 and run until 5 p.m. on December 15, 2014. A copy of the No Further Action Report is available for review at the Hoyt Library, 505 Janes Avenue, Saginaw, Michigan 48607, and is also available for review at the MDEQ district office in Bay City, located at 401 Ketchum Street, Bay City, Michigan, 48708. This calendar notice is an opportunity for you to tell MDEQ of any concerns you have related to this site. The public can direct any site-related questions or comments, in writing, to: Sue Kaelber-Matlock, Senior Geologist, Michigan Department of Environmental Quality, 401 Ketchum Street, Bay City, Michigan 48708, or by phone or e-mail as follows. Information Contact: **Sue Kaelber-Matlock**, Remediation and Redevelopment Division; 989-894-6249; e-mail at matlocks@michigan.gov.

**PART II:
CONFERENCES, WORKSHOPS AND TRAINING PROGRAMS**

Conferences, Workshops, and Training

ANNOUNCEMENT – The DEQ’s Office of Environmental Assistance (OEA) now accepts Visa, MasterCard, and Discover for all DEQ/OEA workshop payments!

**2014
MONTHLY**

2014 MONTHLY CONSTRUCTION STORM WATER OPERATOR/SOIL EROSION INSPECTOR TRAINING, VARIOUS LOCATIONS, MICHIGAN. The DEQ Water Resources Division will be hosting training and exams for Certification as a Construction Storm Water Operator. These half-day sessions will include a training video outlining inspector/certified operator requirements, best practices for soil erosion and sedimentation control, and common compliance problems found on construction sites. Not all information on the test is included in the training, so participants are expected to have read and understand the information presented in the [“Certified Storm Water Operator and Soil Erosion and Sedimentation Control Inspector/Comprehensive Manual”](#) chapters 1-5. The training will be followed by a fifty question, multiple choice exam. A score of 70% is required to pass and become certified. Complete Training and Exam schedules can be found on the Web at www.michigan.gov/soilerosion and by clicking on the first link under the training header. **Cost: \$95.** Information Contact: **Sarah Ehinger**, WRD, 269-567-3515, or ehingers1@michigan.gov. To register, determine the training date and location you would like to attend and contact the [district staff person](#) for that location.

NOVEMBER 6, 2014**

AIR PERMIT-TO-INSTALL APPLICATION TRAINING, CONSTITUTION HALL, LANSING, MICHIGAN. Attend this workshop to learn more about how to complete the air Permit-to-Install Application. The workshop includes a general question & answer session, and for those who are “project ready,” the opportunity to meet with a permit engineer for individual assistance on your specific application. Registration fee is \$45 and includes workshop materials. Updated workshop information and registration is available on the Web at www.michigan.gov/deqworkshops, click on “DEQ Workshops”. Information Contact: **James Ostrowski**, Office of Environmental Assistance, 517-284-6870, or e-mail at ostrowskij2@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

NOVEMBER 2014

ENVIRONMENTAL REGULATIONS IMPACTING YOU; MICHIGAN MANUFACTURERS ASSOCIATION (MMA) REGIONAL MEETINGS, VARIOUS LOCATIONS, MICHIGAN. The MMA is hosting regional meetings in September, October, and November, to provide information on hot environmental issues and how they impact your bottom line. MMA’s Andy Such, director of environmental and regulatory policy, will provide updates on regulations impacting manufacturers. Breakfast or lunch included. The DEQ will have staff and an information table at most of these meetings. For more information and to register, go to <http://mimfg.org/SeminarsEvents/RegionalMeetings.aspx> or contact **LeAnn Hicks**, Event Coordinator, at 517-487-8557 or hicks@mma-net.org.

<u>Date</u>	<u>Time</u>	<u>Location</u>
November 6	2:00-1:00pm	Holiday Inn West, Kalamazoo

November 11	12:00-1:00pm	Rexair, Cadillac

- NOVEMBER 10, 2014**
10:00-11:00 a.m. **DEQ'S UPDATED NPDES MULTIPLE DISCHARGER VARIANCE FOR MERCURY WEBINAR.** The purpose of this webinar is to highlight how the DEQ proposes to regulate NPDES permittees that monitor or have permit limits for mercury. Any NPDES permitted facility with mercury limits or monitoring should participate. The strategy is for Fiscal Years 2015-2019. Registration is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Webinars." Information Contact: **Amanda Bosak**, Water Resources Division, 517-284-5583 or e-mail at BosakA@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.
- NOVEMBER 12, 2014** **2014 MICHIGAN GREEN CHEMISTRY AND ENGINEERING CONFERENCE: CULTIVATING NEXT GENERATION SOLUTIONS, MSU KELLOGG CONFERENCE CENTER, EAST LANSING, MICHIGAN.** This year will mark the sixth Michigan "GreenUp" Conference, designed to be a valuable experience for sharing information, networking, and learning. Green chemistry and engineering are about designing, innovating, and manufacturing what's next and developing less hazardous, more effective materials, processes, and products. Green chemistry and engineering can help businesses create new markets, reduce costs, increase safety, and gain a competitive edge. For chemists, engineers, industry CEOs, educators, students, entrepreneurs, decision makers, policymakers – anyone interested in Michigan's march toward smart, sustainable growth – this conference is the opportunity to hear from leading experts and share innovative ideas on how we can best "green up" Michigan through green chemistry and engineering. Updated conference information, including registration, poster information, and sponsor information, is available on the Web at www.michigan.gov/greenup. Information Contact: **Chris Affeldt**, Office of Environmental Assistance, 517-284-6851 or e-mail at affeldtc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.
- NOVEMBER 2014** **BROWNFIELD REDEVELOPMENT IN MICHIGAN, PROGRAM UPDATES AND IMPROVEMENTS INFORMATIONAL SESSIONS, VARIOUS LOCATIONS, MICHIGAN.** Brownfield property redevelopment in Michigan revitalizes communities, protects the environment, and creates economic opportunities. Find out how the Michigan Department of Environmental Quality (DEQ) is working to drive this program forward. In cooperation with the Michigan Chapter of the Association of Redevelopment Incentives (formerly the Michigan Chapter of the National Brownfield Association) and the Association of Brownfield Redevelopment Authorities, the DEQ's Remediation and Redevelopment Division is hosting two informational sessions to provide an update on the program improvement process that was initiated in early 2014. A stakeholder group of public and private entities was convened to consider potential program updates, create recommendations and review draft policies related to the DEQ Brownfield Redevelopment Program. This included potential changes to the DEQ Brownfield Redevelopment grants and loans and the implementation of Act 381 tax increment financing. These half-day sessions will discuss the potential program improvements and final recommendations that will be presented to the DEQ for implementation. Local units of government, Brownfield Redevelopment Authorities, and those in the economic development, environmental, banking and real estate professions are encouraged to attend. Cost: \$35 – includes the materials and continental breakfast. Updated workshop information is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops." Information Contact: **Jeff Hukill**, Remediation and Redevelopment Division, 517-284-5113, or e-mail at hukillj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

- NOVEMBER 19, 2014**
1:00 – 2:00 p.m. **DEQ WATER TREATMENT ADDITIVE (WTA) APPROVAL PROCESS OVERVIEW WEBINAR.** The purpose of this webinar is to outline the WTA approval process from receipt of the request through approval. We hope to address commonly asked questions. Any NPDES permittee with WTA approval requirements may be interested in attending. Registration is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Webinars." Information Contact: **Kay Edly**, Water Resources Division, 517-284-5586 or e-mail at edlyk@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.
- NOVEMBER 19, 2014** **AWMA WEST MICHIGAN CHAPTER GREET AND EAT WITH DEQ GRAND RAPIDS STAFF, BUNKER INTERPRETIVE CENTER, CALVIN COLLEGE, GRAND RAPIDS, MICHIGAN.** Come spend your lunch hour networking with DEQ Grand Rapids District staff from the air quality,

hazardous waste, solid waste, remediation and redevelopment, and storm water programs. There will be a short presentation from each program, followed by an opportunity to ask questions directly of the DEQ program experts. Hear the latest program developments and get your questions answered in the beautiful surroundings of the LEED certified Bunker Interpretive Center at Calvin College. Updated information is available at www.wmawma.org.

NOVEMBER 20, 2014

WASTE CHARACTERIZATION WORKSHOP, MT. PLEASANT COMFORT INN & SUITES HOTEL AND CONFERENCE CENTER, MT. PLEASANT, MICHIGAN. The DEQ will host a workshop in northern Michigan to explain the process of characterizing business waste. The Waste Characterization Workshop expands on the basic concepts and principles provided in the [Introductory Webinars](#) and at the [2014 Michigan Environmental Compliance Conference](#). This full-day training will supplement your understanding of the basic waste characterization concepts and provide you with practical details to use when evaluating any waste. Topics covered in this workshop will include: point of origination or when a waste first becomes subject to regulation; hazardous waste exclusions, where they are cited, and when you can use them; how to determine whether your waste meets the land disposal restrictions, needs to be treated before disposal, and how to determine the underlying hazardous constituents in your waste; how to determine if a listing applies and when generator treatment is an option; and, how to collect random samples, what analysis is required, and when you can use less costly analysis method. The afternoon will feature a breakout session with DEQ staff facilitating small group discussions on how to characterize attendees' waste, followed by sessions detailing how to go about evaluating safer substitutes. This workshop will be beneficial to small quantity and large quantity generators of hazardous waste and anyone who manages waste for their business or institution. Updated workshop information is available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops." Information Contact: **Christine Grossman**, Office of Environmental Assistance, 517-284-6860, or e-mail at grossmanc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

DECEMBER 2014

EMERGENCY PLANNING AND RELEASE REPORTING WORKSHOP, VARIOUS LOCATIONS, MICHIGAN. Are you prepared for an environmental emergency at your facility? Knowing how to plan for and respond to an environmental emergency is important for the safety of your employees, the community and the protection of the environment. This full-day workshop is designed to help you understand how to properly assess, report, and respond to a spill or release at your facility. The workshop will also include an overview of the environmental planning requirements your facility may be subject to and how to prepare necessary plans to address and environmental emergencies. This workshop is recommended for owners, operators, and environmental and safety personnel of facilities that have hazardous materials on site. Environmental consultants, local emergency planning committee (LEPC) representatives, and fire department personnel will also benefit from this workshop and are encouraged to attend. Updated workshop information will soon be available on the Web at www.michigan.gov/deqworkshops, click on "DEQ Workshops." Information Contact: **Matt Tomlinson**, Office of Environmental Assistance, 517-284-6888, or e-mail at tomlinsonm@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

2014 MICHIGAN WATER ENVIRONMENT ASSOCIATION WATERSHED SEMINAR, EAGLE EYE BANQUET FACILITY, EAST LANSING, MICHIGAN. This seminar will include coming changes to watershed and stormwater programs, MS4 audits, impacts of climate change on watersheds, green infrastructure, impaired waters, TMDLs, funding opportunities, and financing drainage projects. Agenda will include: DEQ Update, MS4 Audit Experiences, Tangible Approaches to Quantify Climate Change for Infrastructure Planning & Design, Green Infrastructure Conference Update, Identifying Impaired Waters (Integrated Report), TMDLs - Compare TMDLs Around the Country to TMDLs in Michigan, Aquatic Habitat & Dam Management Funding Opportunities, and Township Financing of Drain Projects through the Drain Code. Registration is now available for both attendees and exhibitors at <http://www.viethconsulting.com/Calendar/moreinfo.php?eventid=28536>.

DECEMBER 2014
AND
MARCH 2015

COMPOST OPERATIONS: REGULATIONS AND BEST MANAGEMENT PRACTICES WORKSHOP, VARIOUS LOCATIONS, MICHIGAN. The Michigan Department of Environmental Quality, in partnership with the Michigan Recycling Coalition, is pleased to offer a Compost

Operations Workshop, designed to provide businesses and local officials involved with compost operations the informational tools and training needed to operate a larger scale operation in Michigan. The workshop will provide information about composting basics and address complex issues such as facility siting, operations, trouble shooting, and marketing. A key focus of the training will be on state regulations that affect compost operations, including important water regulations that composting operations must comply with. The full-day training includes lunch, materials, and valuable networking time. All attendees will receive a copy of the *Michigan Compost Operator Training Guidebook*. Businesses and municipalities that compost or are thinking about providing composting services should attend this valuable training. Consultants and local officials interested in learning more about what a facility needs to know to comply with state regulations will benefit from the information and networking opportunities provided at this workshop. Updated workshop information will soon be available on the Web at www.michigan.gov/deqworkshops, click on “DEQ Workshops.” Information Contact: **Duane Roskoskey**, Office of Waste Management and Radiological Protection, 517-582-3445, or e-mail at roskoskeyd@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.

DECEMBER 2014

MS4 INDIVIDUAL PERMIT APPLICATION WORKSHOP FOR FY 2016 PERMITTEES, VARIOUS LOCATIONS, MICHIGAN. This workshop will provide information and assistance for completing the Municipal Separate Storm Sewer System (MS4) individual permit application. The workshop will provide an opportunity for current MS4 permittees scheduled for permit reissuance in fiscal year 2016 to better understand the MS4 individual permit application form and process and ask questions. Join us to learn about developing a Storm Water Management Program as part of completing the application. DEQ staff will highlight options available and successful approaches for completing the application. The MS4 application form is available on-line at: www.michigan.gov/deqstormwater, select “Municipal Program/MS4 Compliance Assistance.” Current MS4 permittees scheduled for permit reissuance in fiscal year 2016 (complete application due April 1, 2015) should attend this workshop, including municipal officials, municipal planners, managers of municipal facilities, and environmental consultants. Cost: \$45 – includes materials and continental breakfast. Updated workshop information will soon be available on the Web at www.michigan.gov/deqworkshops, click on “DEQ Workshops.” Information Contact: **Christe Alwin**, Water Resources Division, 517-284-6656, or e-mail at alwinc@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or e-mail at deq-assist@michigan.gov.
