OTTAWA STREET, LANSING, MICHIGAN 48933. The hearing will be conducted pursuant to Part 615, Supervisor of Wells, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), MCL 324.61501 *et seq.*; the administrative rules, 1996 AACS, 2001 MR 2, 2002 MR 23, 2015 MR 15, R 324.101 *et seq.*; and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*; MSA 3.560(101) *et seq.*

The purpose of this hearing is to receive testimony and evidence pertaining to the need or desirability of issuing an order in the matter of the petition of Summit Petroleum Corporation (Petitioner), 1415 S. Mission Road, Mt. Pleasant, Michigan 48858.

The Petitioner seeks an order of the Supervisor, approving an exception to the 40-acre drilling units established by R 324.301, to form an 80-acre Dundee Formation and Traverse Limestone Formation drilling unit by statutorily pooling all interests into the drilling unit, pursuant to R 324.304. Since drilling the Kerby 1-24 well to the Dundee Formation, Petitioner has been unable to enter valid oil and gas leases with all mineral interest owners because of unresolved title issues. Petitioner desires to plug back and convert the existing Kerby 1-24 well to the Traverse Limestone Formation. The proposed drilling unit consists of the S 1/2 of NE 1/4 of Section 24, T21N, R7W, Riverside Township, Missaukee County, Michigan.

You can obtain a copy of the written petition by requesting one in writing from Mr. Robert Long, 1415 S. Mission Road, Mt. Pleasant, Michigan 48858, telephone number 989-772-2028.

Take note that if you wish to participate as a party in the hearing by presenting evidence or cross-examining witnesses, you shall prepare and deliver to the Petitioner and the Supervisor, not less than five days before the hearing date, an answer to the petition in the manner set forth in R 324.1204(6). Proof of mailing or delivering the answer shall be filed with the Supervisor on or before the date of the hearing. The answer shall state with specificity the interested person's position with regard to the petition. Failure to prepare and serve an answer in a timely manner shall preclude you from presenting evidence or cross-examining witnesses at the hearing. If an answer to the petition is not filed, the Supervisor may elect to consider the petition and enter an order without oral hearing. Mail the answer to the petition to Mr. Robert Long at the above address, and to the Supervisor in care of the Assistant Supervisor of Wells, Mr. Harold R. Fitch, at the address below.

Take further note that you may request a change in the location of the hearing to the county in which the proposed drilling unit is located. If the majority of the owners of the oil and gas rights, which are listed in the petition as not voluntarily pooling their interests into the proposed drilling unit, include in their timely filed answers a request to hold the hearing in the county where the proposed drilling unit is located, the Assistant Supervisor of Wells shall: (i) at the time and place scheduled in this notice adjourn the scheduled hearing; (ii) reschedule the hearing for a location in such county; and (iii) provide, by first-class mail, notice of the rescheduled hearing date, time, and place prior to the rescheduled hearing date to all persons who filed an answer in response to this notice.

Questions regarding the Notice of Hearing should be directed to Ms. Susan Maul, Resource Management Group, DEQ, P.O. Box 30241, Lansing, Michigan 48909-7741, telephone number 517-284-6536.
