SUMMARY

The Introduction to MAERS workshop is offered annually to help companies submit their MAERS reports. The 2010 Introduction to MAERS Workshop will feature the new web-based Michigan Air Emissions Reporting System (MAERS), which is being implemented for the reporting of year 2009 air emissions.

Workshop participants will be taken step by step through the new system in an interactive, hands-on format. **This workshop has been designed specifically for businesses subject to MAERS reporting.** Introduction to MAERS Workshop participants will learn:

- How to register as a user in the new MAERS
- How to navigate through the web-based forms and utilities
- How to complete and submit reports using the new MAERS

MAERS reporting begins January 2010. A limited number of seats are available so register early.
