Subject: REVISED CORRECTIVE ACTION REPORT
MIDLAND AREA SOILS
MID 000 724 724

Attached please find updated sections of the *Midland Area Soils Corrective Action Report* and a summary table listing the revisions that have been made pursuant to Condition XI.B.2 of the Operating License issued September 25, 2015. The updated report sections attached should wholly replace the relevant sections of the existing report, as described in the summary table.

The Dow Chemical Company previously submitted the *Midland Area Soils Corrective Action Report* on December 15, 2014, in accordance with Part XI.B of its 2003 Operating License and the May 25, 2012 *Interim Response Activity Plan Designed to Meet Criteria Work Plan* (IRDC) approved by MDEQ on June 1, 2012. The changes are being submitted to reflect the comments and recommendations received during review of the December 2014 Report with Department of Environmental Quality and City of Midland staff.

If you have any comments or questions related to the attached Corrective Action Report, please contact me.
