- **Mission:**

- “We are dedicated to relieving hunger and preventing nutritious food waste.”

- **26th year**

■ **Food *rescue* business model ...**

- Donated surplus food
- Focus: Fresh and prepared foods
- Across food supply chain
 - Growers, dairies, processors, manufacturers, distributors and wholesalers, retailers, high-quality entertainment venues
- Distributed free-of-charge to emergency food partner agencies

... to address food insecurity

■ **By the Numbers:**

— **257** partner agencies in current FY

- 153 partner agencies located in City of Detroit

— **Over 39** million pounds distributed to date this year

- Over 21 M lbs. or 54.4% of pounds distributed to partner agencies in City of Detroit

— **800** food donor sites

- 77 food donor sites ... nearly 10% located in City of Detroit
- Eastern Market District food businesses = 13.4% of food donated in Detroit

— **70** employees

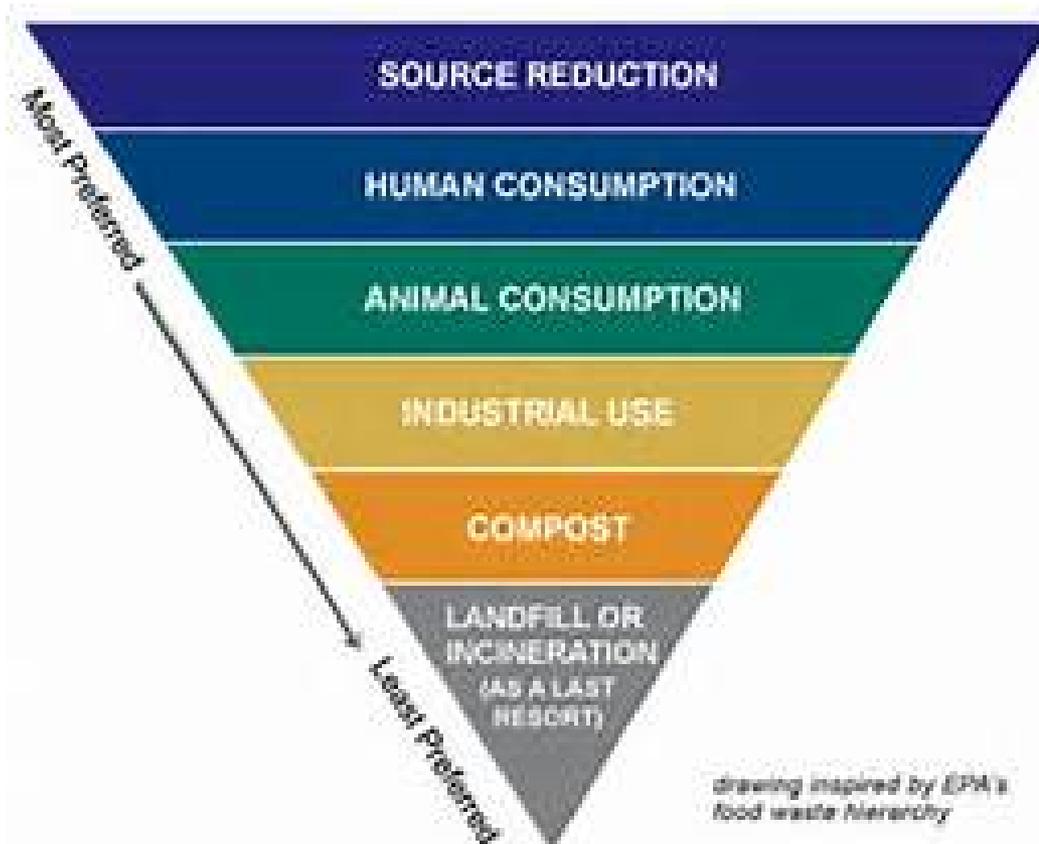

— **Fleet of 34** trucks

— **14,700+** volunteers donating **77,000** hours

- Chains in **blue** are monitored by Feeding America Nationally, serviced by local food banks/rescues. Chains in black are monitored, serviced locally no monitoring from Feeding America

Human Consumption

one of the least costly- just save it for the food rescue/bank/pantry

reduces labor- just save it for the food rescue/bank/pantry

Its SAFE- no liability – just do what you are supposed to do

tax deduction- so a little added bonus

“It Is The Right Thing To Do!”
