## Continuing Septage Education Michigan

A total of 14.0 hours toward the Continuing Septage Education (CSE) Requirements outlined in Part 117, Septage Waste Servicers, Section 11703 of 1994 PA 451, Michigan Natural Resources and Environmental Protection Act will be awarded. Only the CSE credits earned by the designated "RESPONSIBLE AGENT" for a given Michigan licensed Septage firm will be credited to that firm.

### CONFERENCE HIGHLIGHTS

The Wisconsin Onsite Water Recycling Association / Wisconsin Liquid Waste Carriers Association Joint Winter convention features one day of exhibits, two days of speakers, continuing septic education credits (CSE) for Michigan Septage Septic Hauler Education Credit, a fun dinner banquet, door prizes and much more. This year's keynote speakers will include NOWRA President, Dick Otis, Sara Heger, University of Minnesota, and regulatory Updates from Roman Kaminski, DSPS, Fred Hegeman, Wisconsin, DNR, Jeff Swan, WI State Patrol and more. This event is a good opportunity to get your continuing education credits while networking with others in the onsite wastewater industry.
