SUBJECT: Documents concerning Gelman Sciences, Inc. Consent Judgment

The documents in the attached list are the most recent submittals, responses, or other information pertinent to the Gelman Sciences, Inc. project. These documents are provided by the Department of Environmental Quality (DEQ) to facilitate public review as this project progresses.

The attached list includes links to each document, instructions to connect to the DEQ's Gelman Sciences web site and the locations of the information repositories.

We are now listing only two information repositories for the Gelman Sciences, Inc. site. Because essentially all documents are now provided electronically, on the DEQ's Gelman Sciences web site, the City of Ann Arbor and Scio Township agreed that it is no longer necessary to list them as information repositories.

If you have any concerns or questions or would like to be added to the list of people who receive a digital copy of these lists by e-mail, please contact me at the DEQ Jackson District Office, 301 East Louis Glick Highway, Jackson, MI 49201, at 517-780-7937, or by e-mail at kolons@michigan.gov.
