Subject: Gelman Information Repository Mailing
Attachments: GSIINF137.pdf

The list of the most recent documents related to the Gelman site for the Information Repositories is attached. Please note that the Department of Environmental Quality (DEQ) is minimizing the number of hard copy documents being provided to the Information Repositories in an effort to conserve resources, staff time and expense involved with these mailings. The underlined documents are (or soon will be) available on the DEQ's Gelman web site and hard copies are not being sent. The recent quarterly report, including maps, will be posted soon. **There are no paper copies being sent with this mailing.**

These and many other documents are also available through the DEQ's Gelman web site:
http://www.michigan.gov/deq/0,1607,7-135-3311_4109_9846_9847-71595--,00.html

You can also access the DEQ's Gelman web site by entering:
<http://www.michigan.gov/deqrrd> into your web browser's address screen, then scroll to "Contaminated Sites List" and click on "Gelman Sciences, Inc. Site of Contamination".

SUBJECT: Documents concerning Gelman Sciences, Inc. Consent Judgment

Please note that the Department of Environmental Quality (DEQ) is minimizing the number of hard copy documents being provided to the Information Repositories in an effort to conserve resources, staff time, and expense involved with these mailings. The underlined documents are available on the DEQ's Gelman web site and hard copies of those documents are not being sent. **There are no hard copies included in this mailing.**

These documents are the most recent submittals, responses, or other information pertinent to the Gelman Sciences, Inc. project. These documents are provided by the DEQ to facilitate public review as this project progresses.

The information on each of the seven areas related to the remediation is listed separately. NPDES Permit correspondence and Discharge Monitoring Reports, general correspondence, and Quarterly Reports are also listed separately. Please insert these documents into the appropriate files. Please contact me at 517-780-7937 or by e-mail at kolons@michigan.gov, if you have any concerns or questions or would like to be added to the list of people who receive a digital copy of these letters by e-mail.

If you have a digital copy of this letter and are connected to the internet, you may click on any of the linked documents below (underlined) to access them directly. You can also access the web site directly by entering <http://www.michigan.gov/degrrd> into your web browser's address screen, scroll to "Contaminated Sites List" and click on "Gelman Sciences, Inc. Site of Contamination".
